Docket No: 11-0475

MOTION TO ORDER Com-Ed PRESENT CORRECTIVE BILLING
FOR "EXHIBIT B"

1. Pursuant to ICC Honorable Judge Sainsot directives at a Status Hearing of the Case on September 22, 2011; the Electric Service Meter Number 140148897 in Plaintiff's property was checked by Com-Ed on 11/1/2011 and the Meter was found defective and broken and no good and was dismantled from the premises.

2. That on the same date 11/1/2011 Com-Ed dismantled the defective Meter, Com-Ed also proceeded and Installed a Brand New Electric Service Meter Number 142064295 in the premises.

3. On December 19, 2011 Com-Ed came to the aforesaid property and read the New Electric Meter. The property used 1216 kWh from the date of Installation of the New Meter 11/1/2011 to 12/19/2011 (49 Days Service). See "EXHIBIT A" attached hereto and made a part hereof. Com-Ed Total Current Charges for the 1216 Actual kWh Usage is \$130.82 for 34 Days Service in its Billing. See "EXHIBIT B" attached hereto and made a part hereof. Defendant Com-Ed cheated Plaintiff the sum of \$40.00 because Plaintiff made payment for "49 days service Exhibit A". Com-Ed "34 Days Service in it's Billing Exhibit B" is wrong and false.
*** kWh Usage Cost per Day: \$130.82 divided by 49 Days = \$2.67
*** kWh Usage per Day: 1216 kWh divided by 49 Days = 24.8 kWh.

ORDER

WHEREFORE, for the foregoing reasons and facts, Plaintiff pray the Commission Order the Defendant present truthful/honest Statements and Correct Billings for "Exhibit B".

Further, the contents of the underlined items below which are in Defendant Billing Statements are presently false and deceitful and should be changed to bar false statements. WHEREFORE, for interest of justice and honesty and integrity of Electric Service Billing Statements, Plaintiff pray the Commission Order Defendant to issue a Fresh New "Your Usage Profile" (Graph); "Electric Usage"; "Month Billed"; "Average Daily" commensurate and consistent with the beginning date November 1, 2011 Installation and commission service of the New Electric Meter.

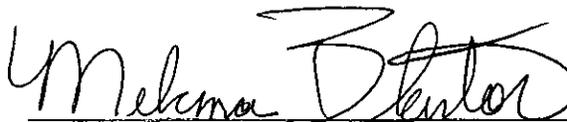

Respectfully Submitted
