Re: Docket No. 6690-AU-114

Dear Mr. Norcross,

WPSC appreciates Staff's work on the above docket over the past couple years.

Order Point #2 of the Commission's April 9, 2012, Amended Final Decision requires WPSC to "submit signed copies of the Agreement as conditioned and modified by this Amended Final Decision with[in] 30 days of the date of this Amended Final Decision." As also noted in the order, the Minnesota Public Utilities Commission ("MPUC") has not yet approved this Agreement, which it is considering in its Docket No. AI-10-783.

WPSC believes it would be best to file the Agreement after it has been approved by the MPUC, which is anticipated to occur shortly. We will keep you apprised of any material developments in the MPUC docket. To the extent a formal waiver of the Order Point #2 filing requirement is required, we respectfully request that you grant it under these circumstances.

Please contact me or WPSC with any questions. Thank you.

Very truly yours,

David A. Meisinger
