RE: ALJ's Proposed Order, Shehadeh v.
Consolidated Communications 11-0685

Deputy Clerk,

I am writing to confirm whether or not the Judge has filed his Recommendation or Proposed Order pursuant to 200.820(a)(1). It has been over two months since the hearing and I wanted to make sure that my prison's mailroom did not mislay or the post office lose the Judge's proposed order.

Thank you for your assistance.

Sincerely,

Jamal Shehadeh
