**PETITION TO INTERVENE
OF THE ENVIRONMENTAL LAW & POLICY CENTER**

Pursuant to 83 Ill. Admin. Code 200.200 the Environmental Law & Policy Center (“ELPC”), through its counsel, petitions the Illinois Commerce Commission for leave to intervene in the above-captioned matter. In support of its petition, ELPC states the following:

1. ELPC is a not-for-profit organization that works to promote environmentally sound energy policies in Illinois.
2. On May 29, 2012, the Commission issued an order, pursuant to Section 9-250 of the Public Utilities Act, that an investigation be initiated into net metering services provided by Commonwealth Edison Company.
3. ELPC has members in Illinois who have a deep interest in solar, wind, and other forms of renewable energy generated under Commonwealth Edison’s net metering tariffs. These members will be directly and materially affected by the Commission’s investigation of these issues.
4. ELPC agrees to accept service by electronic means per Section 200.1050.

WHEREFORE, for the above stated reasons, ELPC requests that leave to intervene be granted by the Commission and it be made a party to this proceeding, and requests that all orders, notices, correspondence, pleadings, testimony and other documents be served upon the undersigned.
