NOTICE OF ADMINISTRATIVE LAW JUDGE'S RULING

Dear Sir/Madam:

Notice is hereby given that the Administrative Law Judge has completed a preliminary review of the application filed by ResCom Energy, LLC ("Applicant") in Docket No. 12-0383, and hereby rules that a verified response, containing the information and clarifications described below, shall be filed with the Commission.

If filed electronically via the Commission's e-docket system, this verified response shall be filed with the Chief Clerk of the Commission on or before June 26, 2012. If the filing is made with the Chief Clerk by non-electronic means, then June 26, 2012 is a mailing date. Applicant shall also serve a copy of its response on the Administrative Law Judge (syoder@icc.illinois.gov). For purposes of doing so, June 26, 2012 is a receipt or "in hand" date, not later than 5:00 P.M., by electronic mail, Fax (217-524-8928) or otherwise.

General Licensing Requirements

83 Ill. Adm. Code 451.30(a) requires Applicant to publish notice of its application for certification in the Official State Newspaper within 10 days following the filing of the application for certification. Furthermore, Applicant must file proof of publication with the Clerk of the Commission within 5 days after publication.

Applicant indicates in paragraph six of its application that it will publish notice of its application for certification in the Official State Newspaper within 10 days following its filing of the application for certification and will file proof of publication with the Clerk of the Commission within 5 days after publication. Applicant is directed to provide proof that such notice was published.

Miscellaneous Licensing Requirements

The Applicants indicates in its application that it has had 275 complaints received from 2010 to 2012. The Applicants indicates that these complaints were informal, and were processed and resolved internally by the Applicant.

The Applicant is directed to formally indicate whether any of the complaints made to it became formal, docketed complaints with the relevant public utility commission. If they did, the Applicant is directed to provide the docket number, jurisdiction, the nature of the complaint, and the ultimate resolution. The Applicant is also directed to explain the process by which it handles complaints, and whether any changes in its process have been made as a result of its complaint history.

Financial Licensing Requirements

The applicant has failed to demonstrate that it meets the financial qualifications in Section 451.320(a)(3). In Item 22 of the application, the applicant states that it will purchase 100% of its physical electric energy from the RTO (PJM) for delivery to the service territory of Commonwealth Edison, for which it is seeking a certificate. However, the applicant failed to demonstrate that it is a member of PJM pursuant to Section 451.320(a)(3).

The applicant is directed to demonstrate it is a member of PJM pursuant to Section 451.320(a)(3).

Sincerely,

Elizabeth A. Rolando
Chief Clerk
