**RE: Application for Licensure of Agents, Brokers and Consultants under Section 16-115C of the Public Utilities Act.**

Docket # 12-0386

Dear Chief Clerk,

In response to our ruling we respectfully apologize for the discrepancy in our application and Michael Scott's resume.

Michael Scott had previously worked with a licensed broker in the states of TX, PA, NJ and IL. One of his future duties as President of Dynamis Energy, LLC will include training in these areas because of his past experience but he is not training in all of those states currently. He is actively training representatives in Texas as a broker license is not required in the state and he will be in Illinois if and when we are licensed in the state. We are currently working on completing our license requirements for PA and NJ and his training role will increase if and when we are accepted there.

We have revised Michal Scott's resume to better reflect his current duties and attached that below.

Sincerely,

Justin Bishop
