2012 JUL 30 11:06

In the Matter of Melcina Blanton vs ComEd Company

CHIEF CLERK'S OFFICE

MOTION TO ORDER COMED TO PRESENT CORRECTIVE BILLING
OF EXHIBIT B

Plaintiff Objection to Respondents Response

1. Plaintiff's calculation are true. ComEd assertions in Paragraph 3 of its Response is wrong and lack factual figures to support its claim

WHEREFORE, Plaintiff move the Commission and its staffs to do the calculation and will reach conclusion supportive of Plaintiff position.

2. ComEd in Paragraph 4 in its response stated "the current balance on the Complainant's electric account is \$11,909.30 (ComEd May 15, 2012 Certificate of Service of its Response). Further, all of a sudden within two (2) Months, on August 10, 2012 ComEd claimed the amount due it is \$13,746.21. See Circled Item in "Exhibit A" attached hereto and made a part hereof.

One wonder where ComEd is getting and coming up with this outrageous dollar amount claim.

ComEd knowingly and intentionally cooked up fake Numbers and committed phoney fraudulent Billings.

This fraudulent figures ComEd is Billing and claiming is shocking to the conscience and the cause and core of Plaintiff's Original Complaint. ComEd has no conscience.

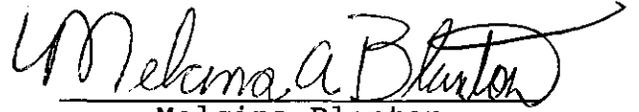

It should be noted by the Commission that ComEd did not have any evidence In-Fact and In-Law brought before the Commission to support is claim; and dispute any content of Plaintiff's Original Complaint.

ComEd has no proof and cannot offer any whatsoever to prove its claim of the sum of money. The Actual/Factual Amount Due ComEd is not more than \$2,000 maximum; and that is the amount ComEd will get and no more. ComEd should settle.

ComEd Response is a fraud, dishonest, and without merit.

Plaintiff pray the Commission to grant the "ORDER" of the MOTION.

Respectfully Submitted
