Illinois-American Water Company	:	
	:	11-0767
Proposed general increase in water	:	
and sewer rates.	:	SERVED ELECTRONICALLY

NOTICE OF ADMINISTRATIVE LAW JUDGE'S RULING

TO ALL PARTIES OF INTEREST:

Notice is hereby given of the following ruling by the Administrative Law Judge pursuant to 83 Ill. Adm. Code 200.875, whereby the Administrative Law Judge issues this post-record data request for certain calculations and numerical analyses:

For each water and sewer rate district whose rates would be affected by this proceeding, Illinois American Water Company ("IAWC") is directed to provide a set of schedules showing the rates, by rate classification, that would result if the conclusions in the Proposed Order affecting revenue requirement, cost of service and rate design were adopted.

IAWC is directed to provide a set of schedules, for each water and sewer district, showing a "typical bill" for the residential rate classification under the conclusions contained in the Proposed Order. For each typical bill schedule, IAWC shall identify the typical residential customer usage assumptions used in the calculations. For each existing rate district, the percentage change in the typical residential bill from that applicable under existing rates shall be provided as well. For each of the other rate classifications, IAWC is directed to provide a set of schedules calculating the percentage change in revenues, for each existing rate district, under the conclusions contained in the Proposed Order.

At its discretion, IAWC may provide additional schedules showing typical bills for residential customers using relatively low amounts of utility service and relatively high amounts of utility service for each rate district and rate classification. If IAWC elects to provide such additional schedules, it shall identify the assumed usage level in the schedules provided.

Other Parties are permitted to provide a response to this ruling containing the calculations and analyses described above. The filing date for all responses to this ruling, and any replies to responses, are August 14, 2012 and August 21, 2012, respectively. All responses and replies thereto shall be verified and filed with the Commission, and shall not exceed the scope of content described above. Copies thereof shall be served electronically on other Parties and (in Word format) on the Administrative Law Judge by 5:00 P.M. on the date of filing.

Sincerely,

Elizabeth A. Rolando
Chief Clerk
