PETITION FOR CONFIDENTIAL TREATMENT

IRON ENERGY LLC (“Iron Energy”), hereby respectfully requests that the Illinois Commerce Commission (“Commission”) treat Attachment E (including Exhibits 1, 2 and 3 submitted under Attachment E) and Attachments F and G of its Petition for NGES certification as “Confidential” and not made part of the public record. In support of its Motion, Iron Energy states as follows:

1. Iron Energy has filed a Petition for Certification of Service Authority pursuant to Section 19-110 of the Public Utilities Act.
2. Portions of the Application contain highly confidential and proprietary business and financial information. Specifically, the Application contains Iron Energy’s plans and agreement terms for obtaining gas supply. This information on business plans is of proprietary nature and the disclosure of this information would cause harm to Iron Energy in the highly competitive energy supply market.
3. Iron Energy requests that the protective order be in full effect for five years from the date of submission.

WHEREFORE, Applicant Iron Energy LLC respectfully requests the Chief Clerk of the Commission treat Attachments E, F and G as Confidential and sealed under protective order and not made part of the public record of Iron Energy's application and not posted on the websites of the Illinois Commerce Commission or the Office of the Clerk.

Dated: July 23, 2012

Respectfully submitted,
