

Conference	City/State	Date	Topic
2008			
National Association of Regulatory Utility Commissioners (NARUC) Winter Committee Meeting	Washington, DC	February 15-21, 2008	Dr. Faruqui was on a panel: "Customer and Societal Benefits Of AMI: From Smart Meters To A More Efficient Power System"
GridWeek	Washington, DC	September 23, 2008	
2009			
Federal Energy Regulatory Commission (FERC)-National Association of Regulatory Utility Commissioners (NARUC) Smart Grid Collaborative's "Smart Rates"	Conference Call	February 15, 2009	Dr. Faruqui spoke at the beginning of the session to provide an overview of smart rate programs in the various States and gave the Commissioners a chance to pose questions directly to him.
2009 Energy Axis User Conference	Palm Coast, FL	February 24, 2009	
Energy Bar Association's 12th Annual Midwest Energy Conference	Chicago, IL	March 5, 2009	The conference focused on "Taking Stock of the Energy Industry: Are Markets Still the Answer?".Dr. Faruqui participated in a panel session on "Planning in an Age of Uncertainty," and discussed price responsive demand.
Western Load Research Association (WLRA)	Atlanta, GA	March 11-13, 2009	
Metering Billing/CIS America	Miami, FL	March 23-25, 2009	
Advanced Energy Board of Directors Meeting	Duck, NC	April 24, 2009	Ahmad spoke on The Smart Grid - Choosing a Smart Strategy
New York Independent System Operator (NYISO) Symposium, "Foundation to the Future: Infrastructure, Innovation, Investment"	Albany, NY	April 30, 2009	Dr. Faruqui was on a panel.
Philadelphia Electric Company (PECO) AMI Symposium	Harrisburg, PA	May 13, 2009	Dr. Faruqui spoke on: Smart Rates – Customer Experience of the Future
EUCI's Demand Response & Energy Efficiency World Conference	San Francisco, CA	May 19, 2009	Dr. Faruqui was there to chair and provide welcoming address on how demand response and energy efficiency programs can provide a customer face to emerging utility smart grid strategies.

Independent System Operator (ISO) New England Smart Grid Forum	Westborough, MA	May 20, 2009	
Customer Service (CS) Week 2009 Conference 33	Washington, DC	May 21, 2009	
Electricité de France (EDF) Annual Conference	Paris, France	May 28, 2009	Dr. Faruqui presented on demand response and demand side management programs, with a particular focus on the results of pilot programs in which he has been involved in the U.S.
ConnectivityWeek - DR Expo Track	Santa Clara, CA	June 8-11, 2009	Dr. Faruqui moderated the DR Expo portion and spoke in one of the panels.
Center for Research in Regulated Industries (CRRI) 22nd Annual Western Conference	Monterey, CA	June 17-19, 2009	Dr. Faruqui and Dr. Sergici participated in a session on demand response and discussed a comparative evaluation of two dynamic pricing pilots.
Edison Electric Institute (EEI) 2009 Annual Meeting	San Francisco, CA	June 23-25, 2009	
Queen's 2009 Energy Regulation Course	Kingston, Ontario	July 1, 2009	Dr. Faruqui spoke on Conservation and Demand Management.
Federal Energy Regulatory Commission (FERC)-National Association of Regulatory Utility Commissioners (NARUC) Smart Grid Collaborative	Seattle, WA	July 20-23, 2009	Referenced the PUF article on smart grid strategies
Massachusetts Institute of Technology (MIT) Energy Innovation Project	Cambridge, MA	July 24, 2009	Workshop on the Innovation Ecosystem on the Customer Side of the Meter
New York Independent System Operator (NYISO) Board Retreat	Rye Town, NY	September 13, 2009	Presented on dynamic pricing
Smart Grid and Energy Storage Roundtable (host: Kansas Corporation Commission's Utilities Division)	Topeka, KA	September 18, 2009	"The Impact of Dynamic Pricing on Westar Energy," provides a review of dynamic pricing rate designs, quantifies customer-level impacts, and makes projections for system-level impacts.

Western Load Research Association (WLRA) Fall 2009 Conference	San Diego, CA	September 23-25, 2009	Presentation titled: "New Results from Dynamic Pricing Experiments." Also sat on a panel on smart grid
Arkansas Public Service Commission's Sustainable Energy Resources Collaborative Workshop	Little Rock, AR	September 30, 2009	Dr. Faruqui spoke on Dynamic Pricing.
Smart Pricing for a Smart Grid Workshop	San Francisco, CA	November 5-6, 2009	on Advisory Board
New Mexico State University (NMSU) Emerging Issues 2010	Santa Fe, NM	November 24, 2009	Panel: More than Just an "Additional Revenue Unit" – The Role Of and Impacts on Future Consumers. Consumers will be the new players in the tomorrow's world, will they be up to the challenge? What policies are needed to ensure appropriate consumer protection to reflect tomorrow's new realities.
Northwestern University - Industrial Engineering and Management Sciences (IEMS) Fall Semester Seminars	Evanston, IL	December 1, 2009	Spoke for 1 hour on paper: "The Changing Architecture of Demand Response"
The Smart Grid and Decoupling: The Path Forward for Distributed Generation and Demand Response	Web/Teleconference	December 16, 2009	Gave a 10-minute overview on "What is the smart grid?"
2010			
American Bar Association (ABA) Environment & Energy Section Meeting	Teleconference	January 22, 2010	Discussed the "smart grid."
Electric Power Research Institute (EPRI) Demand Response Webcast	web	January 26, 2010	Presented on "Dynamic Pricing"
Center for Innovative Financial Technology at UC Berkeley's Haas School of Business	Berkeley, CA	March 2, 2010	Dr. Faruqui spoke on "Zen and the Art of Dynamic Pricing."
6th Annual Carnegie Mellon Conference on the Electricity Industry	Pittsburgh, PA	March 9-10, 2010	Dr. Faruqui spoke on a Review of Customer Response to Price Dr. Faruqui spoke on 2009 Smart Grid Stimulus Grants.
7th Annual British Columbia Power Summit	Vancouver (Canada)	March 24, 2010	Dr. Faruqui spoke on "Wise Energy Use - Smart Grid Development."

Peak Load Management Alliance's (PLMA) Effects of In-Home Displays on Energy Consumption: A Summary of Pilot Results	web	April 6, 2010	
Rutgers University's Fair Pricing - A Conference on Ethics and Dynamic Pricing	Newark, NJ	April 9, 2010	
Business for Environment Global Summit (B4E)	Seoul (Korea)	April 21-23, 2010	Dr. Faruqui was on a smart grid panel chaired by TIME's environmental editor.
eMeter: Smart Grid Leadship Conference	Monterey, CA	May 3-5, 2010	Dr. Faruqui spoke on "Do Consumers Actually Respond to Dynamic Pricing?"
EUCI Demand Response: A Critical Piece in Meeting Our Energy Needs	San Francisco, CA	May 6, 2010	Dr. Faruqui was the keynote speaker on "The Changing Architecture of Demand Response"
University of California, Los Angeles (UCLA) WINSmartGrid Connection's 4th Smart Grid Thought Leadership Forum	Los Angeles, CA	May 17, 2010	Dr. Faruqui was on the panel "Technology, Standardization and Scalability - Key Challenges for the Smart grid." He spoke on quantifying the customer-side benefits of the smart grid.
Virginia State Corporation Commission National Regulatory Conference	Williamsburg, VA	May 20-21, 2010	Dr. Faruqui spoke on a panel on dynamic pricing.
DR Expo (part of Connectivity Week 2010)	Santa Clara, CA	May 26, 2010	Dr. Faruqui led the track on "Dynamic Pricing and Integration with Wholesale Markets." He moderated the first panel and sat in on the other two.
Cpower's SmartTalk Energy Roundtable series	web	June 16, 2010	In the second installment of this series, "Is the Utility of the Future a Service Company?" Dr. Faruqui moderated.
Center for Research in Regulated Industries (CRRRI) 23rd Annual Western Conference	Monterey, CA	June 23-25, 2010	Dr. Faruqui presented, "Does Dynamic Pricing Work in a Moderate Climate? Experimental Evidence from New England."
Goldman Sachs Annual Power and Utilities conference	New York, NY	August 12, 2010	30-40 minute presentation on energy efficiency and demand response trends, impacts, policies, etc., especially in the context of potential near-term and long-term electricity demand growth projections.
Peak Load Management Alliance (PLMA) webinar on Smart Power	web	November 23, 2010	
2011			

Smart Grid Consumer Collaborative Symposium	San Diego, CA	January 31, 2011	SGCC's "State of the Consumer" Research Report - panelist
Institute for Electric Efficiency (IEE) - continental breakfast briefing	Washington, DC	February 16, 2011	Along with Lisa Wood (IEE), Dr. Faruqui presented the just-released findings from IEE's new white paper on the benefits of smart meters
The Kellogg Alumni Leadership Board SF Bay and the Kellogg Clean Technology and Energy Group (invitation-only)	San Francisco, CA	February 17, 2011	How the smart grid facilitates smart pricing - debate between Dr. Faruqui and TURN Executive Director Dr. Mark Toney
Regulatory Course at the University of Alberta	Calgary, Alberta, Canada	March 15, 2011	Consumption and Efficiency
University of Texas Interdisciplinary Energy Conference - Overcoming Barriers to Smart Grids & New Energy Services	Austin, TX	April 7-8, 2011	Dr. Faruqui gave a short presentation on his work and key conclusions on dynamic pricing.
Presentation to Energy Networks Association (ENA)	Webinar	May 17, 2011	
GreenTech Media (GTM) Webinar: Why Consumers Love Dynamic Pricing for Electricity	Webinar	May 19, 2011	Dr. Faruqui was part of a panel speaking on dynamic pricing.
Utility Executive Course	Moscow, ID (U. Idaho)	June 10, 2011	
Center for Research in Regulated Industries (CRR) 24th Annual Western Conference	Monterey, CA	June 16, 2011	Dr. Faruqui, Sanem and Lamine: "Impact Evaluation of Consumers Energy's Experiment with Dynamic Pricing"
Promoting Energy Efficiency through Utility Demand Side Management: Evolving Experiences and Emerging Trends	Washington, DC	July 14, 2011	Dr. Faruqui hosted the event and discussed newly emerging trends and new initiatives in demand side management.
Association of Energy Service Professionals Brown Bag Webinar	Webinar	August 25, 2011	Dr. Faruqui spoke on "Applying Experimental Design to Behavior-based Programs."
Gridweek	Washington, DC	September 13, 2011	Panel discussed specific challenges for utilities.
Association for Demand Response and Smart Grid (ADS) Webinar	Webinar	September 23, 2011	Dr. Faruqui was on panelist for webinar, "DR and Smart Grid Mythbusting."
Harvard Electricity Policy Group	Nashville, TN	September 23, 2011	Dr. Faruqui gave a panel presentation on dynamic pricing.

New England Electricity Restructuring Roundtable: The Promise and Reality of "Smart Grid" and "Dynamic Pricing"	Boston, MA	October 28, 2011	Dr. Faruqui was a lead speaker on a panel discussing national trends on dynamic pricing.
Smart Home Energy Management Summit 2011	San Jose, CA	November 8-9, 2011	Dr. Faruqui was on a panel discussing the growth of dynamic and critical peak pricing.
Policies for Energy Provider Delivery of Energy Efficiency	Sydney, Australia (participated via web)	December 12, 2011	Dr. Faruqui presented a keynote address.
Restructuring Today Webinar "The Future of Demand Response"	via web	December 15, 2011	Dr. Faruqui served as a panelist.
2012			
DistribuTECH Conference	San Antonio, TX	January 23-24, 2012	Dr. Faruqui presented during a half-day workshop Monday and a panel session on Tuesday on the topic of Cost-benefit analysis of smart meters.
Tennessee Valley Authority's (TVA) Energy Efficiency Forum	Nashville, TN	February 21-22, 2012	Dr. Faruqui gave a luncheon keynote address on Energy Efficiency Potential Study of the TVA Region.
California Foundation on the Environment and the Economy	St. Helena, CA	March 6, 2012	
Grid ComForum West	San Diego, CA	March 8, 2012	Dr. Faruqui presented on "Smart Pricing & Smart Charging," based off his PUF article.
Ohio Public Utilities Commission Technical Workshop	Columbus, OH	March 28, 2012	"Dynamic Pricing for Residential and Small C&I Customers"
Edison Electric Institute (EEI) Webinar, "The Impact of the Economy on Electricity Sales"	via web	March 30, 2012	Dr. Faruqui presented on the 2nd session, "Econometric Methods for Finding and Measuring Causes of Sales Changes"
Smart Grid Today's webinar: "Resurrecting the money-saving promise of dynamic pricing"	via web	June 6, 2012	Dr. Faruqui discussed dynamic pricing, as well as summed up the pros and cons
A National Town Meeting on Demand Response and Smart Grid	Washington, DC	June 26-28, 2012	Dr. Faruqui spoke on a panel on time-based pricing.
National Association of Regulatory Utility Commissioners (NARUC) Summer Committee Meetings	Portland, OR	July 22-25, 2012	Dr. Faruqui presented on "Architecting the Future of Dynamic Pricing."
Goldman Sachs Power and Utility Conference	New York, NY	August 14, 2012	Dr. Faruqui spoke on "The Future of Demand Growth in the Power Sector."

Smart Grid Educational Series at IBM Innovation Center	Foster City, CA	August 21, 2012	Dr. Faruqui presented on "Shaping our Energy Future through Dynamic Pricing"
