Resolution 02-02-09(4)

AMMENDED ORDINANCE NO. 2-1-08(4)

WHEREAS, the State of Illinois has enacted into law the Emergency Telephone System Act, 720 ILCS 750/1 et. Seq., and,

WHEREAS, the Edwards County Board of Commissioners believe that establishment of an enhanced "9-1-1" system is in the best interest of the residents of Edwards County, and,

NOW, THEREFORE, BE IT ORDAINED BY THE COUNTY BOARD OF EDWARDS COUNTY, ILLINOIS, AS FOLLOWS:

SECTION ONE: ESTABLISHED. An Emergency Telephone System Board of Edwards County, Illinois is hereby established and shall be known as the Edwards County Emergency Telephone System Board (ECETSB).

SECTION TWO: COMPOSITION. The ECETSB shall consist of seven (7) members, who shall be appointed by the Chairman of the County Board of Edwards County, Illinois, with the advice and consent of the County Board. Said members of the ECETSB shall consist of and Edwards County Board member, the Edwards County Sheriff or a representative of Edwards County law enforcement, a representative from one of the County's fire departments, a representative of the Edwards County Ambulance Service, three (3) additional representatives of emergency service agencies, and one at-large member, to be appointed on the basis of their ability or experience. The at-large member must be a resident of the local exchange service territory, to be included in the 9-1-1 coverage area. Members shall be representative of both the rural and urban areas located within Edwards County, Illinois.

SECTION THREE: TERM OF OFFICE. The initial term of office for each member of the ECETSB shall be as follows: Two (2) members shall be appointed for a term of one (1) year, two (2) members shall be appointed for a term of two (2) years, two (2) members shall be appointed for a term of three (3) years and one (1) member shall be appointed for a term of four (4) years. All following appointments shall be for a term of four (4) years. All terms shall be measured from the first day of May of the year of appointment. Vacancies shall be filled for the unexpired term in a similar manner as original appointments.

SECTION FOUR: POWERS AND DUTIES. The ECETSB shall have the power and duty to perform the following functions:

1. Planning of a "9-1-1" system;
2. Upgrading or maintenance of the System, including the establishment of equipment specifications and coding systems;
3. Receiving monies from any surcharge imposed for the purpose of establishment and maintenance of the Edwards County Emergency Telephone System and from any other source, for deposit into the Emergency Telephone System Fund;
4. Authorizing all disbursements from the fund;
5. Hiring, on a temporary basis, any staff necessary for the implementation or upgrade of the system;
6. Causing all monies received by the ECETSB pursuant to any surcharge to be deposited into a separate interest-bearing Emergency Telephone System Fund account of which the Treasurer of the County of Edwards is the custodian, causing all

interest accrued on the fund to remain in the fund, and to make no expenditures from said fund except by resolution, passed by a majority of all members of the ECETSB. Said expenditures only to be made to pay for costs associated with the following:

- a. The design of the Emergency Telephone System;
 - b. The coding of initial master street address guide data base and updating maintenance thereof;
 - c. The repayment of any monies advanced for the implementation of the System;
 - d. The charges for automatic number identification and automatic location identification equipment.
 - e. The non-recurring charges related to installation of the Emergency Telephone System and the ongoing network charges;
 - f. Other products and services including personnel cost necessary for the implementation, upgrade and maintenance of the system, including costs directly attributable to the opening of the system. Costs directly attributable to the operation of the Emergency Telephone System do not include the costs of public safety agency personnel who are and equipment that is dispatched in response to an emergency call.
7. Annually prepare and submit to the County Board:
- a. An annual budget showing the estimated receipts and intended disbursements pursuant to this Ordinance, for the fiscal year immediately following the date the budget is submitted, which date must be at least 90 days prior to the fiscal year;
 - b. An annual report showing the income and disbursements made pursuant to the Ordinance during the fiscal year preceding the date the annual report is submitted, which date must be within 60 days of the close of the fiscal year.
8. Notify the Chairman of the County Board of all meetings of the ECETSB, making its books and records available to each member of the County Board at all times on request and holding meetings open to the public.

SECTION FIVE: MEETINGS. The ECETSB shall prescribe the time and place of the regularly scheduled ECETSB meetings and the manner in which special ECETSB meetings may be called.

SECTION SIX: REMOVAL. Members of the ECETSB shall serve at the pleasure of the Edwards County Board and may be removed for: 1) failure to attend three (3) successive monthly meetings; or 2) failure to attend four (4) out of twelve successive monthly meetings, as determined with the advise and consent of the majority of the ECETSB.

SECTION SEVEN: PASSAGE. This Ordinance becomes effective immediately upon its passage and adoption by the County Board of Edwards County, Illinois.

APPROVED AND ADOPTED at a meeting of the Edwards County Board of Commissioners, Edwards County, Illinois on the 1st day of February, 2008.

AMENDMENT APPROVED AND ADOPTED at a meeting of the Edwards County Board of Commissioners, Edwards County, Illinois on the 2nd day of February, 2009.

RESOLUTION 12-1-08(18)

IMPLEMENTATION OF 9-1-1- SURCHARGE

WHEREAS, the State of Illinois has enacted into law the Emergency Telephone System Act, as amended, (the "Act"); and

WHEREAS, the Act enables counties to impose a surcharge on monthly billed subscribers of telecommunications carriers at a rate per network connection in order to implement and/or upgrade and maintain a 9-1-1 emergency telephone system; and

WHEREAS, the Act requires the telecommunication carriers to collect the surcharge from its monthly billed subscribers residing within the corporate limits of the county imposing the surcharge; and

WHEREAS, the Act allows the telecommunication carriers to deduct and retain 3% of the gross amount of surcharge collected for reimbursement of the expense of accounting a collecting the surcharge; and

WHEREAS, the Act further provides that before the surcharge may be imposed it must be authorized by a majority of the voters in a referendum by the county; and

WHEREAS, the County Board of Edwards County deems it to be in the best interest of the county to implement and upgrade and maintain a 9-1-1 emergency telephone system and to impose a surcharge on the monthly billed subscribers of telecommunication carriers residing within the county to pay for the costs associated therewith;

NOW THEREFORE, be it ordained by the County Board of Edwards County, Illinois, as follows:

Section One. A surcharge is hereby imposed, subject to the provisions of Section Two, upon the monthly billed subscribers of telecommunication carriers residing within the county for funding of a 9-1-1 emergency telephone system.

Section Two. A referendum was passed by a majority of the voters of Edwards County, Illinois at the General Election, November 4, 2008, to impose a surcharge of up to \$2.50 per network connection, which surcharge will be added to the monthly bill received for telephone and telecommunications charges.

Section Three. A surcharge is hereby imposed on monthly bill subscribers of telecommunications carriers residing within the county at a rate of \$2.50 per month per network connection, as hereinafter defined.

Section Four. A monthly billed subscriber shall be deemed to reside within the county if the service address, as hereinafter defined, is located within the county.

Section Five. For purpose of the ordinance the following definitions shall apply:

- a. "Network connection" means the number of voice grade communication channels directly between a subscriber and a telecommunications carrier's public switched network without the intervention of any other telecommunication carriers switched which would be required to carry the subscriber's inter-premises traffic.
- b. "Service address" means the location of the subscriber's telecommunications facilities accessing the network connection or connections that are subject to the surcharge. If this in not a defined location, service address shall mean the location of a subscriber's primary use of the network connection as defined by the telephone number, authorization code, or location in Illinois where bills are sent.
- c. "Telecommunications carrier" means any natural individual, firm, trust estate, partnership, association, joint stock company, joint adventure, corporation, municipal corporation or political subdivision of this State, or a receiver, trustee, conservator, or other representative appointed by order of any court engaged in the business of transmitting messages by means of electricity.

Section Six. The County Clerk shall provide any telecommunication carrier collecting the

surcharge with a certified list of those network connections assigned to the county to be exempt from imposition of the surcharge. The certified list may be revised by the county on sixty (60) days prior written notice provided to the telecommunications carriers.

Section Seven. The surcharge shall be imposed on the first day of the month following the expiration of 90 days from the date the County Clerk certifies to any of the telecommunications carriers who are required to collect the surcharge that the referendum referred to in Section two has passed.

Section Eight. Each telecommunications carrier is hereby authorized and instructed to deduct 3% from the gross amount of surcharge collected prior to remittance under Section Nine of this resolution in reimbursement for the expense of accounting and collecting the surcharge.

Section Nine. Every telecommunication carrier shall remit to the County Treasurer the amount of surcharge collected for each calendar month within 30 days following expiration of each month to which the surcharge applies, net of any network or other 9-1-1 or sophisticated 9-1-1 system charge then due to the particular telecommunication carrier as shown on an itemized bill and the 3% accounting and collection charge described in Section Eight.

Section Ten. Simultaneously with the remittance described in Section Nine above, each telecommunication carrier shall make a return to the County Treasurer for the period to which the remittance applies stating as follows:

1. The name of the telecommunication carrier.
2. The telecommunication carrier's principal place of business
3. The number of network connections to which the surcharge applies.
4. The amount of surcharge collected.
5. Such other reasonable and related information as the corporate authorities may require.

Section Eleven. If it shall appear that an amount of surcharge has been paid which was not due under the provisions of this ordinance, whether as the result of a mistake of fact or an error of law, then such amount shall be credited against any surcharge due, or to become due, under this resolution, provided that no amount erroneously paid more than three (3) years prior to the filing of a claim therefore shall be so credited. Ninety (90) days prior notice shall be given to the Edwards County Emergency Telephone System Board on any credit against a surcharge due.

Section Twelve. No action to recover any amount of surcharge due under the provisions of this ordinance shall be commenced more than three (3) years after the due date of such amount.

No. 2009 - CH - 15

COMPLAINT FOR PERMANENT INJUNCTION

NOW COMES the Plaintiffs, COUNTY OF EDWARDS AND THE EDWARDS
COUNTY EMERGENCY TELEPHONE SYSTEMS BOARD, by and through their attorney,
Edwards County State's Attorney Mike Valentine, and complaining against VERIZON NORTH,
INC., WABASH TELEPHONE COOPERATIVE, INC, and BIG RIVER (NEW WAVE)
TELEPHONE COMPANY ., states as follows:

1. To meet the goals of the Emergency Telephone System Act, and pursuant to 50 ILCS 750/15.4(d), Plaintiffs have requested that Defendants provide published numbers, non-published numbers, non-listed numbers, and their associated addresses ("subscriber records") so that Plaintiffs can upgrade their 911 system. The upgraded system (called and "enhanced 911 system") will display the name, address, and telephone number of the person calling 911.
2. It is the Plaintiffs' understanding that the Defendants are willing to disclose their subscriber records, but may not do so until the entry of a proper order as mandated by Section 725.400(e) of the Illinois Administrative Code. Defendants' determination not to immediately

supply Defendants' subscriber records was also based upon the provisions of the Electronic Communication Privacy Act, 18 U.S.C. 2701 et seq.

3 Defendants' subscriber records are relevant and necessary to Plaintiffs' providing accurate and timely emergency assistance and for Plaintiffs to operate their enhanced 911 system efficiently and effectively.

4. Disclosure of Defendants' subscriber records to Plaintiffs for the sole purpose of assisting it in responding to such emergency calls will serve a legitimate law enforcement and public safety purpose in accordance with the Electronic Communication Privacy Act, 18 USC 2703(d).

5. Immediate and irreparable injury will result to Plaintiffs and the residents they serve unless a permanent injunction is issued, because, in the absence of such an injunction, Defendants may not provide subscriber records, and the absence of these records substantially impedes Plaintiff's ability to provide law enforcement an emergency response, thereby increasing the risk of injury or death to such residents and increasing the risk of damage to their property.

6. Disclosure of Defendants' subscriber records to Plaintiffs for the sole purpose of assisting it in responding to emergency law enforcement, fire, and medical calls will only be under such terms and conditions as will protect the privacy of subscribers, ensure that such access does not disrupt Defendants' telephone service or place an unreasonable burden on Defendants' subscribers or services. Plaintiffs will indemnify Defendants and hold them harmless from liability arising from Plaintiffs' access to and use of Defendants' subscriber records.

7. Plaintiffs' attorney has had communications with the attorneys and/or non-attorney representatives for the Defendants wherein counsel and non-attorney representatives for the

Defendants wherein counsel and non-attorney representatives for the Defendants have indicated that they have no objection to the issuance of the attached Order.

WHEREFORE, Plaintiffs, by and through their attorney, request the following relief:

That pursuant to Section 725.400(e) of the Illinois Administrative Code, that Verizon North, Inc., Wabash Telephone Cooperative, and Big River (New Wave) Communications shall provide Plaintiffs subscriber records relating to subscribers within Plaintiff's area of responsibility, subject to the following conditions and limitations:

1. Defendants shall provide and Plaintiffs shall have access to Defendants' subscriber records relating to subscribers in Plaintiff's area of responsibility from and after the date of the entry of this court order as needed for error corrections to its 911 database and as needed for the provision of accurate and timely emergency services.
2. Defendants' subscriber records shall be made available only to authorized employees or agents of the Plaintiffs' 911 Coordinator and his or her designees.
3. Plaintiffs shall advise any such employee, agent, Coordinator or designee who is given access to Defendants' subscriber records of the requirements of this order and will obtain such person's agreement in writing to comply with the confidentiality provisions of this order.
4. All persons and entities obtaining access to Defendants' subscriber records shall keep all of the subscriber records (and any part of them) confidential and shall use such records for the sole purpose of ascertaining the originating telephone location and customer listings to ensure that all customers are identified with the proper addresses in the Plaintiffs' 911 system so that 911 emergency calls for assistance result in a timely and accurate law enforcement or emergency response.

5. Plaintiffs shall take all necessary steps to protect the privacy of the Defendants' subscribers. Plaintiffs shall use subscriber records for the sole purpose of assisting it in responding to emergency law enforcement, fire, and medical calls. Plaintiff shall ensure that such access to and use of Defendants' subscriber records does not disrupt Defendants telephone service or place an unreasonable burden on Defendant's subscriber or services. Plaintiff shall indemnify Defendants and hold them harmless from liability arising from Plaintiffs' access to and use of Defendants' subscriber records.

6. The responsibility of Defendants is limited to the furnishing of Defendants' subscriber records as those records are kept in the course of Defendants' business. Other than ensuring that the records provided are Defendants' current business records, Defendants' shall have no responsibility to ensure its records are correct or up to date.

7. Plaintiffs' bond is waived

8. The Court retains jurisdiction of this cause to enforce this Order upon written motion with notice by any of the parties hereto.

No. 2009 – CH -

ORDER FOR PERMANENT INJUNCTION

This Cause having come before this Court on Plaintiffs' Complaint for a Permanent Injunction against Verizon North, Inc., Wabash Telephone Cooperative, and Big River (New Wave) Communications, and having heard arguments of counsel, if any, and being fully advised in the premises finds as follows:

1. To meet the goals of the Emergency Telephone System Act, and pursuant to 50 ILCS 750/15.4(d), Plaintiffs have requested that Defendants provide published numbers, non-published numbers, non-listed numbers, and their associated addresses ("subscriber records") so that Plaintiffs can upgrade their 911 system. The upgraded system (called and "enhanced 911 system") will display the name, address, and telephone number of the person calling 911.
2. The Defendants are willing to disclose their subscriber records, but may not do so until the entry of a proper order as mandated by Section 725.400(e) of the Illinois Administrative Code. Defendants' determination not to immediately supply Defendants' subscriber records was also based upon the provisions of the Electronic Communication Privacy Act, 18 U.S.C. 2701 et seq.

3 Defendants' subscriber records are relevant and necessary to Plaintiffs' providing accurate and timely emergency assistance and for Plaintiffs to operate their enhanced 911 system efficiently and effectively.

4. Disclosure of Defendants' subscriber records to Plaintiffs for the sole purpose of assisting it in responding to such emergency calls will serve a legitimate law enforcement and public safety purpose in accordance with the Electronic Communication Privacy Act, 18 USC 2703(d).

5. Immediate and irreparable injury will result to Plaintiffs and the residents they serve unless a permanent injunction is issued, because, in the absence of such an injunction, Defendants may not provide subscriber records, and the absence of these records substantially impedes Plaintiff's ability to provide law enforcement an emergency response, thereby increasing the risk of injury or death to such residents and increasing the risk of damage to their property.

6. Disclosure of Defendants' subscriber records to Plaintiffs for the sole purpose of assisting it in responding to emergency law enforcement, fire, and medical calls will only be under such terms and conditions as will protect the privacy of subscribers, ensure that such access does not disrupt Defendants' telephone service or place an unreasonable burden on Defendants' subscribers or services. Plaintiffs will indemnify Defendants and hold them harmless from liability arising from Plaintiffs' access to and use of Defendants' subscriber records.

THEREFORE, IT IS HEREBY ORDERED:

That pursuant to Section 725.400(e) of the Illinois Administrative Code, that Verizon North, Inc., Wabash Telephone Cooperative, and Big River (New Wave) Communications shall provide Plaintiffs subscriber records relating to subscribers within Plaintiff's area of responsibility, subject to the following conditions and limitations:

1. Defendants shall provide and Plaintiffs shall have access to Defendants' subscriber records relating to subscribers in Plaintiff's area of responsibility from and after the date of the entry of this court order as needed for error corrections to its 911 database and as needed for the provision of accurate and timely emergency services.
2. Defendants' subscriber records shall be made available only to authorized employees or agents of the Plaintiffs' 911 Coordinator and his or her designees.
3. Plaintiffs shall advise any such employee, agent, Coordinator or designee who is given access to Defendants' subscriber records of the requirements of this order and will obtain such person's agreement in writing to comply with the confidentiality provisions of this order.
4. All persons and entities obtaining access to Defendants' subscriber records shall keep all of the subscriber records (and any part of them) confidential and shall use such records for the sole purpose of ascertaining the originating telephone location and customer listings to ensure that all customers are identified with the proper addresses in the Plaintiffs' 911 system so that 911 emergency calls for assistance result in a timely and accurate law enforcement or emergency response.
5. Plaintiffs shall take all necessary steps to protect the privacy of the Defendants' subscribers. Plaintiffs shall use subscriber records for the sole purpose of assisting in responding to emergency law enforcement, fire, and medical calls. Plaintiff shall ensure that such access to and use of Defendants' subscriber records does not disrupt Defendants telephone service or place an unreasonable burden on Defendant's subscriber or services. Plaintiff shall indemnify Defendants and hold them harmless from liability arising from Plaintiffs' access to and use of Defendants' subscriber records.

6. The responsibility of Defendants is limited to the furnishing of Defendants' subscriber records as those records are kept in the course of Defendants' business. Other than ensuring that the records provided are Defendants' current business records, Defendants' shall have no responsibility to ensure its records are correct or up to date.

7. Plaintiffs' bond is waived

8. The Court retains jurisdiction of this cause to enforce this Order upon written motion with notice by any of the parties hereto.
