**ERRATA TO THE  
THE ILLINOIS POWER AGENCY’S PETITION FOR APPROVAL  
OF THE 220 ILCS 5/16-111.5(d) PROCUREMENT PLAN**

The Illinois Power Agency Act (“IPA”) hereby submits to the Illinois Commerce Commission (“Commission”) this Errata sheet to its Petition For Approval of the 220 ILCS 5/16-111.5(d) Procurement Plan filed on September 28, 2012. On page 5 of the Petition, in the third sentence of the final paragraph, the Petition misstated the statutory date for the Commission to determine whether to conduct a hearing. The correct time period is 10 days. The corrected sentence should read:

“In addition, the Commission has ten days from the filing of objections, on or before October 15, 2012, to decide if a hearing is necessary. 220 ILCS 5/16-111.5(d)(3).

Dated: October 1, 2012

Respectfully submitted,

Illinois Power Agency

additional language regarding the Commission's authority for approval of the FutureGen 2.0 sourcing agreement.

#### **IV. Solar Renewables Energy Credit Procurement for Ameren**

The Draft Plan discussed the possibility that the IPA would conduct a solar photo voltaic ("PV") renewable resource REC procurement for 2013-14 delivery, funded by the accumulated unspent hourly ACPs collected during Cycles 1 and 2. However, given the risks associated with potential customer migration in Ameren's territory, and the potential that any remaining renewable resource budget may not be available for 2013/14, the IPA does not recommend that it conduct a solar REC procurement for this period.

#### **V. Proposals Not Accepted for Inclusion in the 2012 Procurement Plan**

The IPA considered, but did not include, all suggestions made in the 2012 Plan. While not all of the suggestions were included in its final Plan, the IPA does not want to foreclose development of some issues for consideration in this or future Procurement Plans. As such, the IPA welcomes additional discussion of issues that were not fully developed in the comments to date through the Commission proceeding.

#### **VI. Procedural Steps**

Within five days of the filing of this Procurement Plan, any person objecting to the Procurement Plan may file an objection with the Commission.<sup>2</sup> 220 ILCS 5/16-111.5(d)(3). The IPA reserves its right to file responsive comments to the Commission. In addition, the Commission has ten days from the filing of objections, on or before October 15, 2012, to decide if a hearing is necessary. 220 ILCS 5/16-111.5(d)(3). At this time, the IPA does not believe a hearing is required or necessary to consider or approve the Procurement Plan. Parties

<sup>2</sup> Objections to the Plan are due by October 3, 2012.
