A new electric transmission line: delivering reliable and cost-effective energy

**Please join us for an open house—because your input matters.**

The Illinois Rivers Transmission Project will improve reliability, provide more access to renewable power and bring economic benefits to our area. And your opinion is vital as this initiative takes shape. At our open house, you can learn about the need for this new transmission line, share your thoughts on best possible routes and get answers to your questions.

**American Legion**  
 5 – 8 p.m. July 16  
 706 W. Lincoln, Griggsville, IL 62340
