MADD HOSS JACKSON front man Jim Jennings (center) poses with Mary and Vic Kassing at the Kassing Lumber 40th anniversary celebration Saturday at the KC Hall in Mt. Sterling. After a meal Jennings and his band hit the stage to perform.

Father Tom Henseler traveled from Peoria for the Kassing Lumber 40th anniversary celebration. "All the Kassings came to my church," said Henseler, who was pastor at Holy Family Church for 20 years. He signs the guest book while speaking to Leann Kassing.

CMH Foundation receives \$250,000

VICKI REEDY, Cardiopulmonary Rehabilitation Department Supervisor, will oversee the \$250,000 donation received last week from "The Chicago Community Trust" to the CMH Foundation. This donation was made possible through an anonymous donor-advised fund with the Chicago Community Foundation. "It is critical to the donor that the money be used only within the Cardiopulmonary Rehabilitation Department of Culbertson Memorial Hospital," the foundation said. Reedy said, "Words seem too inadequate to properly respond to this most needed and overwhelming gift. I can assure I will be ever vigilant in the use of this gift for the needs of both our clients and our service."

This is for all living veterans, whether they currently live in or are a native to Brown County. Please call or email information to Mickie Shepard at powtch@casscomm.com or 217-773-2300. The article will be in The Democrat-Message in November for Veterans Day.

Thank you for your help in this project.

**Business Spotlight
ServiceMaster**

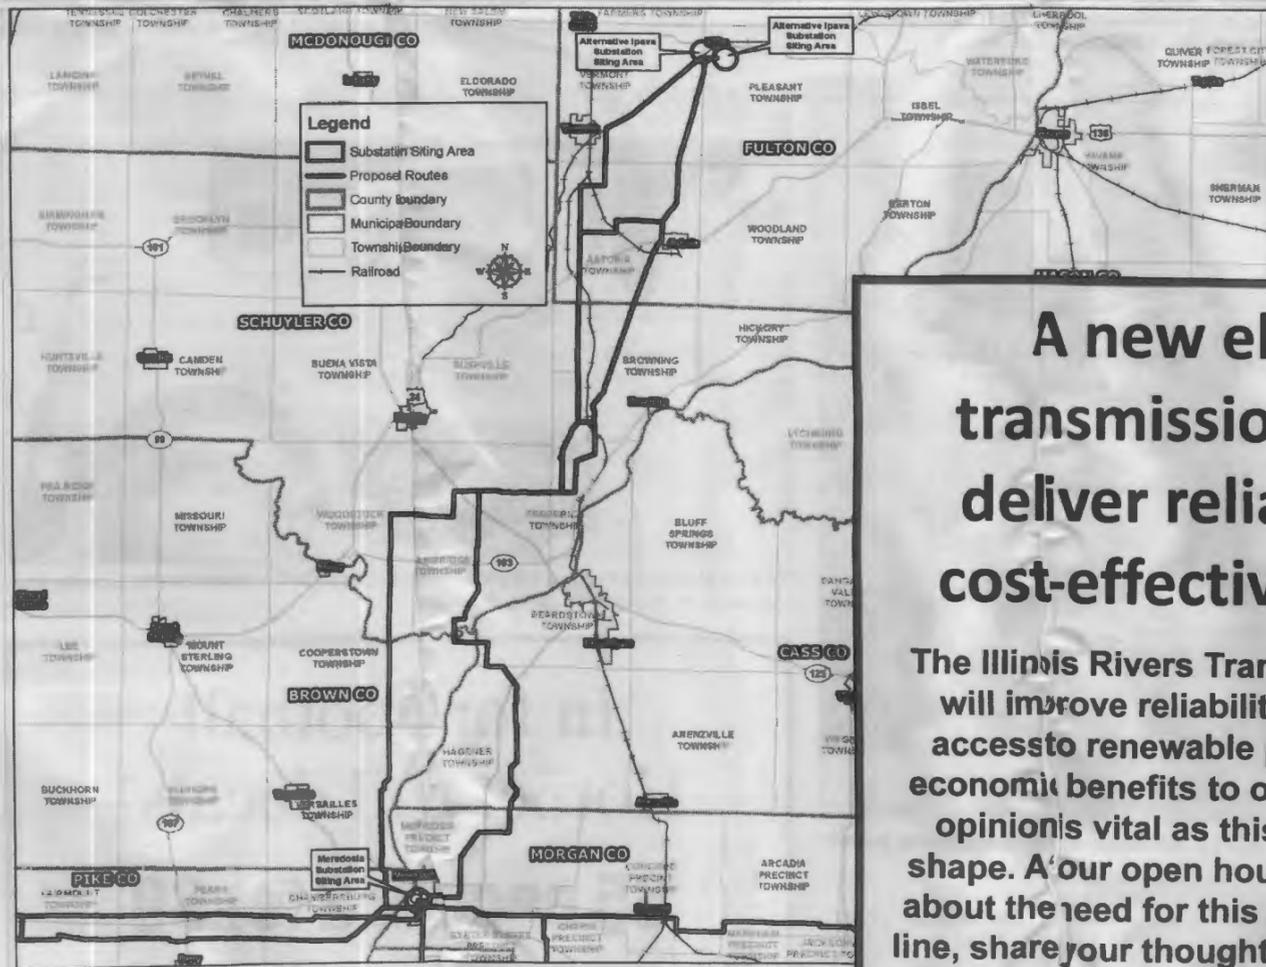

Cleaning and restoring a home or business that has suffered from fire, water damage, mold or other similar loses can be an overwhelming job that likely requires professional assistance. That assistance, if you live in Quincy, Jacksonville, Macomb or Hannibal, MO, and areas in between, may be provided by the franchised ServiceMaster Cleaning and Restoration business, owned and operated by Larry and Kathy Yingling. Larry and Kathy, along with 20 full-time employees, undertake all challenging jobs whether small or large. Additional services include janitorial, housekeeping, carpet cleaning, upholstery cleaning, hard surface floor care and other structural cleaning for residential and commercial properties. The company does full service restoration for the insurance industry as well. The Yinglings and staff embody ServiceMaster's mission statement "We simplify and improve the quality of our customers' lives."

In 1998 Larry and Kathy purchased the ServiceMaster Cleaning franchise. Their current business address is 106 N. Damon Road, Mt.

Sterling. The opportunity to own their own business has provided them great personal satisfaction. They do acknowledge their current success has not been without sacrifice in time taken away from family and little financial reward for several years. They advocate to be successful 1) you need a life partner that is supportive, 2) have a financial partner (bank) that will work with you at every crossroad of your business, 3) be willing to give 100 percent, and 4) invest in the best staff you can afford and commit to making them successful too.

Larry and Kathy enjoy living in the rural Midwest where customers and employees have strong values, are willing to trust, support and appreciate that their best interests are always in mind. It doesn't get much better than that.

A SALUTE

Camden

by Lela Allen 322-3730

Monday is Labor Day, the first school holiday and the last end of summer. Cookout day. Have a safe weekend.

Rains were predicted for Saturday, and as usual, no rains came. To our surprise, Sunday morning the rains began and fell most of the day. We dumped out over four inches of rain Monday morning. The brown yard now has a green hue. We may have to mow! With the slow rains, most of it soaked in with very little run off.

Schuyler County soccer teams end their season this week. Schuyler/Industry sports, football, cross country, golf, girls basketball and volleyball games are underway.

Bud, Lloyd and James Allen and James Vancil left Friday for Grand Haven, Mich., to fish on the Sea Flea Charter Saturday morning. After a successful fishing morning, they returned home that evening.

Last week, Lloyd Allen supervised construction of a new cement walkway at the home of his parents, Bud and Linda Allen. Others helping were James Vancil, Louise Huett, Terry Moranville, Ken and Tela Montgomery, and Terry and Lela Allen.

Shye Allen celebrated her birthday a week early at the home of Terry and Lela Allen. Several family members shared the weekend. Those present were Les, Katie, Sierra, Tony, Austin, Kreedon, Dustin and Ashley Allen, Ken and Tela Montgomery, and Bobbi Gorsuch.

John Rose, Shye Allen, Allena

Merritt, Carol Lung and Marcia Heitz will celebrate their birthday on the 31st; Betty Conway and Phillip Fitzjarrald III on the 1st; Taffy Wertz on the 2nd; SuAnn DeWitt, Steve Hester and Rose Fitzjarrald on the 3rd; Larry Gabbert and Jeff Ackers on the 4th; Dean Ross and Lindsey Heitz on the 5th; and Eva Little and David Prather on the 6th.

David and Ginger McQuaid will celebrate their anniversary on the 2nd; and Charles and Jeanie Kirkham and Dick and June McQuaid on the 5th.

Brian and Teresa Haines, Andy, Daphne, Nolan and Jon Ingles attended Stoney's football game near London Mills on Friday evening.

Saturday morning, Brian and Teresa Haines attended the Tour de Schuyler bike ride.

Saturday afternoon, Brian and Teresa Haines, Tim and Lacey Crumrine, Andy and Daphne Ingles, Doug, Becky and Nick Billingsley, Josh, Alison, and Keaton Ruth, Morris and Marie Billingsley, Mike, Marian, and Greg Fretueg, Beau, Rochelle, Reed, Bennett and Carter Fretueg of Catlin, Dave and Kathy Norvell of Wildwood, Mo., Jim and Diane Norvell of Springfield, Gary and Cheryl Bent of Petersburg, Terry, Karen and Hunter Bent of Middletown, and Marge and Jeff Ackers of Columbus, Ohio, attended the wedding and reception of Jason Rechner and Erin Billingsley at the Legacy Theater in Springfield.

MOVING THROUGH TOWN

Traffic was slowed, halted for a time and diverted Wednesday when an oversized piece of equipment passed through Rushville. Most utility lines had to be raised for the large equipment, which was part of a water treatment facility headed to Canada.

Secretary of State Offices Closed For Labor Day

Illinois Secretary of State Jesse White has announced that all offices and facilities normally open Monday through Friday will be closed Monday, Sept. 3, 2012, in observance of Labor Day.

Driver service facilities that are normally open Tuesday through Saturday will be closed on Saturday, Sept. 1.

All driver service facilities will be open for regular business on Tuesday, Sept. 4.

SMALL BIT OF FACT

Shark corneas are used in eye transplants and shark bone marrow can be used to graft human bones.

Burglaries Rise In Summer Months

(SPM Wire) Summer is the time for sun-splashed vacations. It's also busy season for burglars, as time away from home or an unlocked door or window could be a cue to strike.

According to the FBI, July and August have the highest burglary rates.

And burglaries typically are

crimes of opportunity. Homes without security systems are about three times more likely to be broken into, the Electronic Security Association reports.

A popular choice these days is the

ADT Home Security System, which comes with motion detectors and 24-hour alarm monitoring. Call 1-800-429-2144 to learn more about ADT's systems and the company's free offers and guarantees.

Then enjoy your summer with increased peace of mind.
