Second art gallery open house coming

The first open house at the Winchester Student Gallery was a complete success! We had over 75 people attend. The Fine Arts Department would like to extend a warm thank you to all of those who participated and showed their support for the talented students in our district. We would also like to thank Nichole Mason for donating her winnings from the 50/50 drawing back to the Fine Arts Department. Our next open house at the gallery will take place on Tuesday, Oct. 23 from 6-8 p.m. Music and reading performances will begin at 6:30 p.m.

A new electric transmission line to deliver reliable and cost-effective energy

The Illinois Rivers Transmission Project will improve reliability, provide more access to renewable power and bring economic benefits to our area. And your opinion is vital as this initiative takes shape. At our open house, you can learn about the need for this new transmission line, share your thoughts on best possible routes and get answers to your questions.
