## Card of thanks

The entire Carter Family would like to thank everyone for the support and love shown to us during Wade's illness and following his passing.

In particular, we wish thank the Bramleys for helping us through this difficult time; the members of Divernon United Methodist Church for taking charge of setting up and serving the meal for family and friends following the service; Rev. Richard Harre for officiating a beautiful service. Finally to Carolyn Brown, Wade's life long friend and confidant, for being the central contact person and coordinating the many details for the gathering following the services and for always being a friend of the entire family.

We are humbled and grateful for all the support and love shown us by the entire Divernon community. Wade truly loved our town and gave so much of himself to make Divernon a better place for all of us. We know he would be proud of the way our community came together to honor him and our family.

### County Queens Hope To Cover Cancer

Those who earned the right to wear a crown in Montgomery County this year are teaming up to collect hats and scarves for what they're calling Queens Covering Cancer.

According to Montgomery County Fair pageant director Missy Dean, the idea came from

her husband and Miss Montgomery County Fair Sunny Lentz.

"We thought it would be a neat county project because cancer affects everyone," Dean said.

According to Lentz, royalty will be responsible for collecting hats and scarves in their towns this fall, plus the queens will get

together once or twice for whole-group events.

"It will be a nice way for us to get to know each other," Miss Lentz said.

The collected hats and scarves will be donated to the local breast cancer support group for gifts for cancer patients.
