CHIEF CLERK'S OFFICE

Draft/Suggested Order

To whom it may concern,

My name is Betty Johnson; **Docket #: 11-0526**, and I am having an issue with Com Ed in regards to them consistently issuing me Estimated Bills. As of 1/16/01, I was issued a settlement agreement in which Com Ed agreed to not issue me estimated bills any further. They are continuing to do so. A copy of the settlement agreement is attached.

I have called to request actual readings be made, and was told someone would come out the following month, but no one would show.

Around the month of March/April 2011, I received a letter stating that my bill was underestimated, and the adjusted bill was for the amount of \$356.65. And since that time, I have continued to receive estimated bills. I didn't pay the entire estimated amount and they applied late charges to my account and now the entire bill is \$624.28.

Due to the settlement agreement with Com Ed, I should not receive estimated bills, nor late penalties for non-payment of these estimated bills which I am being charged in addition to and I do not feel I should be obligated to pay this amount.

Sincerely,

Betty Johnson
