Dear Ms. Rolando:

Enclosed please find the Errata to the Direct testimony of Christine M. Gregor and to an attachment to the Supplemental Direct testimony of John Hengtgen on behalf of North Shore Gas Company and The Peoples Gas Light and Coke Company. Included in this filing are the Revised Direct testimony and Revised Attachment to Supplemental Direct testimony. The originally-filed testimony and attachment contained the following clerical and inadvertent errors:

NS Ex. 5.0, the direct testimony of Ms. Christine M. Gregor:

- Headers and Footers: Add “REV” after the exhibit number;
- Beginning at page 16, line 352, Insert the following language: North Shore did not include any billings to PEHS in the test year. However, IBS inadvertently included billings to PEHS for customer relations activities in the test year. As PEHS will have ceased offering PPP and offers no other services, IBS is not expected to provide any services to PEHS in the test year. The total amount allocated from IBS to PEHS in the test year is \$6,880.
