AMENDED PETITION TO INTERVENE

THIS amended petition to intervene is being submitted with the intent to replace, in its entirety, the petition that was previously submitted December 4<sup>th</sup>, 2012. Below will show the amendments to the names of the Petitioners.

NOW COMES Richard (Rick) T. Copeland Jr, Pamela J. Copeland, and Anna Mae Copeland, (hereinafter The Copeland Family) to petition to intervene and be made an active party in the above entitled matter states as follows:

1. That Petitioners are homeowners residing in Coles County, Illinois, and/or are individuals directly affiliated with the real estate involved, and have an interest in the real estate involved in the proposed Illinois Rivers Transmission Line primary route. This transmission line will dramatically reduce the quality of life, increase health risks, most likely complicate existing health risks for our family, and decrease our property value.
2. As affected residents, we have an interest in and will be affected by any decision of the Commission in this proceeding.

3. Petitioners seek to offer data in support of alternate routes that WILL NOT be disruptive to anyone's quality of life, and will have NO health risks due to the uninhabited nature of the new proposed location of the service lines by the Petitioners.

4. The Copeland Family agrees to accept service in this proceeding by electronic means and requests to be added to the service list:

WHEREFORE, Petitioners, The Copeland Family, pray that the Illinois Commerce Commission grant us Petition to Intervene, and become parties to the above entitled matter with the right to participate and file appropriate pleadings and participate in oral argument before this Commission, should oral argument be granted.

Dated this 18 day of December, 2012.

Respectfully submitted,

Richard (Rick) T. Copeland Jr
