**IDENTIFICATION OF ALTERNATIVE ROUTE OF FUTUREGEN  
INDUSTRIAL ALLIANCE, INC.**

The FutureGen Industrial Alliance, Inc. ("FutureGen Alliance) hereby submits its identification of an alternative route to ATXI's proposed primary route for ATXI's Illinois Rivers Project, pursuant to the Case Management Plan entered on December 14, 2012. In support thereof, the FutureGen Alliance states as follows:

1. Pursuant to the Case Management Plan, ICC Staff and Intervenors are required to identify alternative routes to ATXI's preferred primary route for the Illinois Rivers Project by December 31, 2012.
  
2. The FutureGen Alliance objects to ATXI's preferred primary route for the portion that begins in Meredosia, Illinois and runs to Pawnee, Illinois.

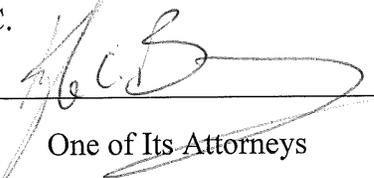

3. The route preferred by the FutureGen Alliance is the alternative route submitted by ATXI for that portion of the project that begins in Meredosia, Illinois and runs to Pawnee, Illinois.

WHEREFORE, the FutureGen Industrial Alliance, Inc. requests that the Commission reject ATXI's primary route for that portion of the Illinois Rivers Project that runs from Meredosia, Illinois to Pawnee, Illinois, and approve instead the alternative route submitted by ATXI for the route beginning in Meredosia, Illinois and running to Pawnee, Illinois.

Dated: December 28, 2012

Respectfully submitted,

FUTUREGEN INDUSTRIAL ALLIANCE,  
INC.
