Docket No. 12-0598

**ERRATA TO THE NATURE CONSERVANCY'S
IDENTIFICATION OF AN ALTERNATIVE ROUTE**

The Nature Conservancy, by its attorneys Quarles & Brady LLP, hereby submits to the Illinois Commerce Commission ("Commission") this Errata sheet to its December 31, 2012 Identification of an Alternative Route ("Alternate Route Filing"). On Page 2 of the Alternate Route Filing, the third sentence of the paragraph labeled "3" contained a typographical error. The corrected sentence should read:

"The Preserve contains land owned in fee by The Nature Conservancy as well as privately owned land subject to conservation easements, and the Preserve is an Illinois Natural Areas Inventory site located on a restored floodplain adjacent to the Illinois River."

There are no other changes to the Alternate Route Filing or the Exhibits filed therewith. However, for the convenience of the Commission and the parties, a corrected version of the Alternate Route Filing and the Exhibits thereto are being filed with this Errata.

Respectfully submitted,

THE NATURE CONSERVANCY
