Docket No. 12-0598

**PETITION TO INTERVENE**

Pursuant to 83 Ill. Admin. Code §200.200, Mary Kathleen Hamblin, individually, and Gregory K. Hamblin and Mark W. Hamblin, as Trustees under a Declaration of Trust Dated January 11, 1990 (collectively "Hamblins"), by and through their attorneys, Featherstun, Gaumer, Postlewait, Stocks, Flynn & Hubbard, hereby petition the Illinois Commerce Commission ("Commission") to be permitted to intervene as a party in the above captioned proceeding. In support of their Petition, Hamblins state:

1. The Ameren Transmission Company ("Ameren") filed herein a Petition for a Certificate of Public Convenience and Necessity pursuant to 8-406.1 of the Illinois Public Utilities Act.
2. By and through its Petition, Ameren seeks to obtain a Certificate of Public Convenience and Necessity ("Certificate") authorizing Ameren to construct, operate, and maintain a new 345 kV electric transmission line ("transmission line") and related facilities including certain new or expanded substations within portions of the State of Illinois. The Petition refers to the transmission line and related facilities as the "Project".

3. The Project, as its currently designed, seeks to construct a part of the Project adjacent to the valuable tillable farm ground owned by Hamblins.

4. The Hamblins did not object to the Project proposed by Ameren.

5. On or about the 31<sup>st</sup> day of December, 2012, a Petition to Intervene with a Proposed Alternate Route was filed by Janet Roney.

6. On or about the 10<sup>th</sup> day of January, 2013, this Honorable Commission entered an Order allowing Ms. Roney to intervene.

7. The Hamblins wish to intervene to object to the intervention and the Alternate Route proposed by Ms. Roney because it interferes with the farming operation on farm ground owned by Hamblins.

8. Hamblins wish to participate in this proceeding and present their positions. Hamblins agree to accept service by electronic means to the following persons who are already in the existing service list.
