

**Ameren Transmission Company of Illinois'
Response to Ragheb Family Data Requests
Docket No. 12-0598**

Petition for a Certificate of Public Convenience and Necessity, pursuant to Section 8-406.1 of the Illinois Public Utilities Act, and an Order pursuant to Section 8-503 of the Public Utilities Act, to Construct, Operate and Maintain a New High Voltage Electric Service Line and Related Facilities in Various Counties in the State of Illinois.

Data Request Response Date: 3/25/2013

MBAR 2.23

Is ATXI willing to state that if the proposed Project is approved and constructed, ATXI will not in the next 30 years seek to add a transmission line parallel to or within 1 mile of any portion of the line within Champaign County, excluding areas within a 1 mile radius of any existing electrical substation?

RESPONSE

ATXI objects to this request as seeking information not relevant or material to this proceeding, and not reasonably calculated to lead to the discovery of admissible evidence. ATXI further objects to this request as calling for speculation with respect to the electric planning needs in Champaign County.
