**MOTION TO FILE AND ADMIT A STIPULATION BETWEEN  
AMEREN TRANSMISSION COMPANY OF ILLINOIS AND  
FUTUREGEN INDUSTRIAL ALLIANCE, INC.**

Ameren Transmission Company of Illinois (ATXI) hereby moves for admission into the record in this case the attached Stipulation, marked as Stipulation Exhibit 2. In support of this motion, Petitioners states as follows:

1. ATXI filed a petition in this matter on November 7, 2012 seeking issuance by the Illinois Commerce Commission (Commission) of a Certificate of Public Convenience and Necessity pursuant to Sections 8-406.1 and 8-503 of the Public Utilities Act, 220 ILCS 5/8-406.1, 8-503, authorizing ATXI to construct, operate, and maintain a new electric Transmission Line (as defined in the Petition) and related facilities (collectively, the Project) in areas of the State of Illinois.

2. ATXI proposed a Primary and Alternate Route for each section of the Project, including the portion of the route between Meredosia and Pawnee, Illinois.

3. FutureGen Industrial Alliance, Inc. (FutureGen) filed a Petition to Intervene in this proceeding on November 21, 2012. On December 28, 2012, FutureGen filed an Identification of Alternate Route in which it voiced opposition to ATXI's Primary Route between Meredosia and

Pawnee, Illinois and stated a preference for ATXI's Alternate Route for the portion of the Project between Meredosia and Pawnee, Illinois.

4. The Stipulating Parties have engaged in discussions regarding resolution of certain concerns that have been raised by FutureGen in this proceeding with respect to proposed transmission line routes between Meredosia and Pawnee, Illinois. As a result of the discussions, an agreement was reached between the Stipulating Parties resolving these concerns. This agreement is reflected in Stipulation Exhibit 2.

5. Under the terms of the agreement, the Stipulating Parties, *inter alia*, support and recommend the Commission's approval of ATXI's Alternate Route for the portion of the Project between Meredosia and Pawnee, Illinois (the Stipulated Route – Meredosia to Pawnee). The Stipulated Route – Meredosia to Pawnee is the same route that ATXI has stipulated to with Morgan and Sangamon Counties Landowners and Tenant Farmers, as reflected in Stipulation Exhibit 1, filed March 13, 2013.

6. The Stipulating Parties agree that there is support in the record for the adoption of the Stipulated Route – Meredosia to Pawnee.

7. The filing of Stipulation Exhibit 2 will ensure a full, complete and accurate record in this proceeding and will serve the interests of administrative efficiency in that issues otherwise in dispute are resolved by the agreement reflected in Stipulation Exhibit 2.

8. Counsel for ATXI has conferred with counsel for future FutureGen, and FutureGen has reviewed this motion and is in agreement with it.

WHEREFORE, for the above reasons, ATXI requests admission of Stipulation Exhibit 2 into the evidentiary record in this case.

Dated: March 29, 2013

Respectfully submitted,

Ameren Transmission Company of Illinois
