STAFF'S ANSWER TO THE PETITION

Now comes the Staff of the Illinois Commerce Commission (Staff) and in support of its Answer to Lansing's Petition for Modification of a 9-1-1 Emergency Telephone Number System, states the following:

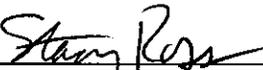

1. The Village of Lansing received an order to operate its Enhanced 9-1-1 System from the Commission on May 9, 1990, in Docket 90-0171.
2. On March 27, 2013, Lansing filed a Petition for Modification of a 9-1-1 Emergency Telephone Number System, in which it requests to change its backup public safety answering point (PSAP) to the Lynwood Police Department, also known as Lynwood Central Dispatch.
3. The Lynwood Central Dispatch PSAP, located at 21460 Lincoln Highway, Lynwood, IL, meets all the requirements for a backup PSAP as prescribed in Section 725.505(i) of Illinois Administrative Code Part 725 - Standards of Service Applicable to 9-1-1 Emergency Systems as it is currently a primary PSAP in the Lynwood/Thornton/East Hazelcrest 9-1-1 system.
4. An intergovernmental agreement has been signed by both the Village of Lansing Emergency Telephone System Board (ETSB) and the Village of Lynwood ETSB for the provisioning of backup 9-1-1 services.
5. Staff has thoroughly reviewed Lansing's Petition for Modification of a 9-1-1 Emergency Telephone Number System and supports the petitioners' request for modification. In addition, Staff supports waiving a hearing in this docket.

Respectfully Submitted,
