MOTION TO DENY RESPONDENT'S MOTION TO DISMISS

Respondent first claimed that one of our guests damaged an underground ComEd cable and was billed for the repair. ComEd could not explain what damage was done or what repairs and materials were used to fix the damage. Now I understand they are claiming that they secured the said transformer. Again, not true. We had the transformer secured before they arrived at the site.

I wish to have a hearing before Judge Benn in Chicago.

Respectfully submitted,
Green River Oaks
