Re: Request for Extension of Time to File FERC Form 60

Dear Secretary Bose:

On behalf of its subsidiary operating company Exelon Business Services Company, LLC ("BSC"), Exelon Corporation ("Exelon") respectfully requests an extension of time for filing the FERC Form 60 for the year ended December 31, 2012.

On March 12, 2012, Exelon Corporation acquired Constellation Energy Group, Inc. ("Constellation"). As a result of the merger, Exelon's subsidiary BSC acquired the shared service operations of Constellation. Exelon applied the purchase method of accounting to the merger date opening balance sheet for the assets and liabilities of Constellation. In order to accurately reflect the allocation of the Constellation shared service assets and liabilities acquired on the balance sheet of BSC, Exelon has undertaken a comprehensive review of all Constellation balance sheet accounts to carve out the shared service assets and liabilities to ensure accurate reporting on BSC's FERC Form 60.

Despite substantial resources assigned to complete the review of the opening balance sheet of the Constellation's shared service entity and apply the purchase method of accounting to the corresponding assets and liabilities, an extension to the normal financial reporting period is necessary to ensure the information is produced accurately and completely. Exelon respectfully requests a ninety day extension to submit the report.

If you have any questions, please do not hesitate to contact.

Respectfully submitted,

Duane M. DesParte,
Senior Vice President and Corporate Controller
