

**Ameren Transmission Company of Illinois
Response to Stop the Power Lines Data Requests
Docket Nos. 12-0598**

Petition for a Certificate of Public Convenience and Necessity, pursuant to Section 8-406.1 of the Illinois Public Utilities Act, and an Order pursuant to Section 8-503 of the Public Utilities Act, to Construct, Operate and Maintain a New High Voltage Electric Service Line and Related Facilities in Various Counties in the State of Illinois.

Data Request Response Date: 4/23/2013

STPL 5.04

Please identify each person who participated in the development of the “Modified Route” described in ATXI’s response to data request STPL 4.4 and ATXI’s attachment to that request.

For every person identified in response to STPL 5.4, please describe the role, activities performed and responsibility of each person in the development of the Modified Route.

RESPONSE

**Prepared By: Donell Murphy
Title: Partner, Environmental Resources Management
Phone Number: 847-258-8912**

ATXI representatives who participated include the following:

Jeff Hackman
Rick Trelz
Jerry Murbarger
Doni Murphy

For the individuals listed above, all reviewed the floodplain easement area via review of Geographic Information System-based maps to confirm that the added angle was feasible from an engineering, environmental and real estate perspective.
