

**Ameren Transmission Company of Illinois
Response to Stop the Power Lines Data Requests
Docket Nos. 12-0598**

Petition for a Certificate of Public Convenience and Necessity, pursuant to Section 8-406.1 of the Illinois Public Utilities Act, and an Order pursuant to Section 8-503 of the Public Utilities Act, to Construct, Operate and Maintain a New High Voltage Electric Service Line and Related Facilities in Various Counties in the State of Illinois.

Data Request Response Date: 4/23/2013

STPL 5.01

Please identify every landowner who would be affected if the proposed ATXI 345 kV transmission line were constructed on the “modified route” described in ATXI’s response to STPL data request 4.4 and ATXI’s attachment to that response. (“Modified Route”)

RESPONSE

**Prepared By: Donell Murphy
Title: Partner, Environmental Resources Management
Phone Number: 847-258-8912**

The minor modification to the Primary Route to route around the floodplain easement would not result in any newly affected landowners.
