Mr. Doug Scott, Chairman
Illinois Commerce Commission
527 East Capitol Avenue
Springfield, IL 62701

Dear Mr. Scott,

We support the proposed Ameren power line path going through Clark County. We strongly object to any attempt to revive the path through southern Edgar County. The proposed path through Clark County affects far fewer homes than the earlier considered Edgar County paths. We were under the impression that this debate had already been settled by your Commission.

Sincerely,

Jerry B. Hamilton
