AFFIDAVIT OF ROBERT GARCIA

STATE OF ILLINOIS)
) ss.
COUNTY OF SANGAMON)

I, Robert Garcia, being first duly sworn, declare under oath as follows:

1. I am employed as Director of Regulatory Strategy and Services of Commonwealth Edison Company ("ComEd").

2. I provided Direct Testimony on behalf of ComEd, identified as ComEd Exhibit ("Ex.") 1.0. This document was submitted to the Illinois Commerce Commission ("Commission") on April 1, 2013, along with ComEd's 2013 Advanced Metering Infrastructure Annual Implementation Progress Report ("AIPR"), and it appears on e-Docket as having been filed on April 1, 2013. ComEd Ex. 1.0 was prepared by me or under my direction and control, and I have personal knowledge of the facts stated therein. The facts stated in ComEd Ex. 1.0 are true and correct to the best of my knowledge and belief, and no corrections or revisions need be made to that Exhibit. If I were asked the same questions today under oath, my answers would be the same.

3. I assisted in preparing ComEd's 2013 AIPR. Specifically, I was responsible for the information presented in Section I, Introduction and Overview, that was not simply a summary of the information contained in Sections II, III, and IV of the AIPR, and Section V, Metrics and Milestones. With the exception of Section II of Appendix A to the AIPR entitled Updated NIST Interoperability Standards and Customer Data and Privacy, I was also responsible for the information contained in Appendix A to the AIPR. I was also responsible for a portion of the information contained in Appendix B to the AIPR that generally corresponds to the information contained in my testimony. The portions of the AIPR and its attachments discussed-above were prepared by me or under my direction and control, and I have personal knowledge of the facts contained therein. The information provided in the above-described portions of the AIPR and its attachments is true and correct to the best of my knowledge and belief, and no corrections or revisions need be made thereto.

Affiant does not state further.
