COMMERCE COMMISSION

MAR 26 2013

Office of Chairman  
And Commissioners

Mr. Doug Scott, Chairman  
Illinois Commerce Commission  
527 East Capitol Avenue  
Springfield, IL 62701

Dear Mr. Scott:

We request that Ameren's Proposed Primary Route for the Illinois Rivers Project is the only route that will be considered for the project.

We do not want to see the proposed route changed. Prior to route selection we sent letters stating our opposition to any new high power line routes coming through Edgar County. We believe that the primary route chosen by Ameren is the most logical route affecting the least amount of people.

Our concerns are many including property values and health and safety issues.

Sincerely,

Jacob Higginbotham
