Office of Chairman
And Commissioners

Dear Mr. Scott,

I am part of the Elbridge coalition, Edgar County, Il, opposing your Illinois River Project

possibility of coming down County Road 400. Our property is along this route and

I believe the southern route you chose would impact fewer people and do much less

damage. We have formed a coalition, and it is active in its opposition to any taking

of easements, CR 400 is lined with houses and people and hills that hide endangered

species.

Your final decision is very important to our family.

When is your final route choice determined, and how do I find out what it is?

Thank you

Sincerely,

Sandra S. Neal
