Subject: Ameren Transmission Line Case #12-0598

Dear Executive Director,

As a landowner in Douglas County,  
I oppose the Ameren Transmission line.  
I was unaware of Amerens plans until June 25, 2013  
and they want to erect a 100' steel pole in my field.

I can see no reason to destroy good Illinois  
farm land to plant steel poles. Farmers by  
nature are caretakers of the land. It seems  
corporation are the destroyers.

Who benefits? Not Illinois, only Ameren.

Sincerely,

Mary A. Overturf
