Recent New Tools:

Committee Voting – for the Members Committee Representatives only
eCredit - credit department use; currently available in training (sandbox) environment only; will be available in production in early March

Note: See CAM functions / instructions at § below.

CAM Read/Write qualification can only be granted by a PJM CAM Administrator.

eSuite Production: <https://eSuite.pjm.com/mui/index.htm>

eSuite Training (sandbox): <https://esuitetrain.pjm.com/mui/index.htm> - This is a separate environment from production. You will need to set up your CAM user account here similar to the set up process in production.

As a CAM you will be able to grant/refuse/terminate privileges requested by a user or delete an account from eSuite. When an account is created or changes are made to a user account, the CAMs will be notified of such instances via e-mail from CAMAdmin@pjm.com.
