RE: ICC Case 12-0598/Opposition to proposed reroute through Douglas and Piatt Counties

Dear Chairman Scott,

We are opposed to the proposed reroute of this line through Douglas and Piatt counties. The original route studied by Ameren for many months makes much more sense from engineering and economic standpoints. The shorter route through Moultrie county would be much cheaper to construct and will impact fewer landowners and homeowners.

Thank you.

Sincerely,

Curt Cannon
