**STIPULATED MOTION FOR A PAPER HEARING**

COME NOW, WAYNE-WHITE COUNTIES ELECTRIC COOPERATIVE (“WWCEC”), an Illinois not-for-profit corporation, and AMEREN ILLINOIS COMPANY d/b/a Ameren Illinois (“AIC”), an Illinois corporation (hereinafter collectively referred to as the “Parties”) and hereby seek leave to conduct the above-captioned proceedings as a Paper Hearing pursuant to 83 Ill. Admin. Code § 200.525. In support of this request, the Parties state as follows:

1. The Parties have filed a Joint Petition pursuant to Sections 2 and 6 of the Electric Supplier Act, seeking approval of two Commercial Customer Releases, defining and delineating an exchange of customer loads in rural Richland and White Counties, Illinois.

2. The Rules of Practice of the Illinois Commerce Commission (“Commission”) permit the Parties and Commission Staff (“Staff”) participating in a proceeding to stipulate to the waiver of a hearing and to the resolution of the matter based solely on the written pleadings and affidavits in a process described as a Paper Hearing. 83 Ill. Admin. Code §200.525(a). Such a stipulation may be filed at any time prior to the date the Administrative Law Judge marks the case Heard and Taken. 83 Ill. Admin. Code §200.525(d). The stipulation is subject to the

approval of all parties, Staff and the Administrative Law Judge. 83 Ill. Admin. Code § 200.525(b).

3. The Parties agree that a Paper Hearing would be an efficient means of resolving the Joint Petition, as it appears there are no areas of controversy.

4. Attached hereto and marked for identification purposes as Motion Exhibit A is the Stipulation to be signed by the Staff member in the event one is assigned to this Docket prior to the preparation of an Order for the Commission's consideration. In the event no Staff member is assigned to this matter, both signatories to this Stipulation expressly waive the necessity of having Staff review the Joint Petition and/or file a Staff Stipulation.

5. Affidavits supporting the Stipulation and Exhibits are attached hereto and marked collectively for identification purposes as Motion Exhibit B.

6. The Parties have prepared and circulated a Draft Order, attached hereto as Motion Exhibit C.

WHEREFORE, Wayne-White Counties Electric Cooperative and Ameren Illinois Company d/b/a Ameren Illinois request that this proceeding be conducted as a Paper Hearing and that an Order substantially similar to the Draft Order attached as Motion Exhibit C be entered.

DRAFT ORDER

By the Commission:

Procedural History, Background and Relief Sought

On September 20, 2013, WAYNE-WHITE COUNTIES ELECTRIC COOPERATIVE (“WWCEC”), an Illinois not-for-profit corporation, and AMEREN ILLINOIS COMPANY d/b/a Ameren Illinois (“AIC”), an Illinois corporation (hereinafter collectively referred to as “Petitioners”), filed a Joint Petition with the Illinois Commerce Commission (“Commission”), pursuant to Section 2 and 6 of the Electric Supplier Act (“ESA”), 220 ILCS 30/1 et seq., seeking approval of a two Commercial Customer Releases each dated June 5, 2013 (“Releases”).

WWCEC and AIC are both electric suppliers as defined in Section 3.5 of the Electric Supplier Act, 220 ILCS 30/3.5. On June 5, 2013, Petitioners entered into two letter agreements, which define and delineate exchanges of customer loads in rural Richland and White Counties, Illinois. Requests for Customer Releases were received from Central States Tower (“Release 1”), and Mr. Clarence Kern, individual farm owner (“Release 2”), respectively

Regarding Release 1, WWCEC is to provide 200 amp 120/240 volt single-phase electric service exclusively to a cell tower owned by Central States Tower. The cell tower is located at

the west half of the NW Quarter of Section 13, Township 2 North, Range 10E, Richland County, Illinois.

Regarding Release 2, AIC is to provide 200 amp, 277/480 volt, 3-phase electric service exclusively to an irrigation system on a parcel of land farmed and owned by Mr. Kern. The 30 hp well pump for the irrigation system is located approximately 1,350 feet west of CR1650E and 1,500 feet south of CR1650N, more fully described as: SW Quarter of Section 2, Township 5 South, Range 10 East, White County, Illinois.

In the instant proceeding, Petitioners seek the Commission's consent and approval of the Release 1 and 2 pursuant to Section 6 of the ESA. Approving the Petitioners' request furthers the goals of the parties' SAA, increases the efficiency of Petitioners in rendering service to the public, avoids duplication of facilities, and accordingly serves the public interest.

**Commission Conclusions, Findings and Ordering Paragraphs**

Having reviewed the Joint Petition and Exhibits, the Commission finds its consent and approval of the Releases to be in the public interest, and should be granted.

The Commission, having considered the record herein, is of the opinion and finds that:

1. Wayne-White Counties Electric Cooperative and Ameren Illinois Company d/b/a Ameren Illinois are electric suppliers within the meaning of the Electric Supplier Act;
2. The Commission has jurisdiction over the Petitioners and the subject matter in this proceeding;
3. The facts recited and conclusions reached in the prefatory portion of this Order hereinabove are hereby adopted as findings herein;
4. The Releases pursuant to Sections 2 and 6 of the Electric Supplier Act between Petitioners appears reasonable and in the public interest and should be approved.

**Motion Exhibit B**

IT IS THEREFORE ORDERED that Petitioners are hereby authorized to enter into and carry out the terms of the Releases pursuant to Sections 2 and 6 of the Electric Supplier Act as attached to the Joint Petition in this proceeding.

IT IS FURTHER ORDERED that subject to the provisions of Section 10-113 of the Public Utilities Act and 83 Ill. Admin. Code §200.880, this Order is final, and it is not subject to the Administrative Review Law.

By Order of the Commission on this \_\_\_\_\_ day of \_\_\_\_\_, 2013.

---

DOUGLAS P. SCOTT, Chairman
