**AIC-Staff 21.01**

To limit contested issues, based on the surrebuttal testimony of Ameren witness Mr. Getz (Ameren Exhibit 22.0, lines 21-160), does Ms. Ebrey agree, for purposes of this proceeding, to withdraw her recommendation that AIC "include a discussion and quantification of amounts of incremental costs incurred that are associated with EIMA, but not specifically quantified in the law, in the annual EIMA report the Company provides to the Commission each March," based on the data AIC agreed to provide in connection with its direct case in AIC's next update and reconciliation filing to be filed in 2014?

**RESPONSE**

Yes, Ms. Ebrey agrees to withdraw her recommendation quoted in the data request above based specifically on the proposal included in Mr. Getz's surrebuttal testimony (Ameren Exhibit 22.0, lines 146-154).
