Docket No. 13-0570

APPLICATION

Sage Telecom, Inc. ("Sage Inc."), by and through its undersigned counsel, and pursuant to 220 ILCS 5/13-406, the rules and regulations of the Illinois Commerce Commission, and the Amendatory Order issued by the Commission in Docket No. 13-0223 on August 6, 2013 (the "Amendatory Order"), hereby files this application to cancel the certificates of authority to provide telecommunications services issued to Sage Inc.

As explained in the Joint Application filed in Docket No. 13-0223, Sage Inc., along with its parent company, TSC Acquisition Corp, and Sage Inc.'s affiliate, Sage Telecom Communications, LLC ("Sage LLC"), filed an application with the Commission for approval of a *pro forma* internal structural change, whereby all of the assets of Sage Inc., including its customers and authority to operate in the state of Illinois, will be assigned to Sage LLC. Because the Commission does not permit the assignment of operating authority to another entity, the parties requested that the Commission issue new authorizations to Sage LLC identical to those held by Sage Inc. In its Amendatory Order, the Commission granted the requested certificates to Sage LLC, and also required Sage Inc. to file an application to cancel its certificates of authority.

The parties have now completed the *pro forma* structural change in the state of Illinois as described in Docket No. 13-0223, and Sage Inc. now requests that its certificates of authority be cancelled. Specifically, Sage Inc. requests that (1) its certificate to provide facilities-based and resold local exchange and interexchange telecommunications services issued in Docket No. 01-0508 on October 24, 2001 be cancelled, (2) its certificate to provide resold wireless telecommunications services issued in Docket No. 12-0612 be cancelled, and (3) that Sage Inc.'s tariffs on file with the Commission be withdrawn. No customers will be affected by the requested cancellations as all customers and operations have been transferred from Sage Inc. to Sage LLC.

Applicant respectfully requests the Commission to grant this Application, and requests such other authority or relief that the Commission may deem necessary with respect to this Application.

Respectfully submitted,
