Julie,

Staff in the Office of Retail Market Development has reviewed the "draft" application of Gulf Stream Energy Consultants, LLC, for an ABC license and has determined that, based on the attached evidence, the company would meet the managerial and technical licensing requirements pursuant to Sub-parts 454.60 (a), (b) and (c) and 454.70 (a) and (b).

My colleague, Phil Hardas, has also made the following observation:

"The draft applicant properly submitted a license or permit bond pursuant to Section 454.80.";

Please note, however, that Staff's observation doesn't prejudice the Commission's ruling on your application.

Please feel free to contact me should you have further questions.
