

Comparison of Route Mileages
Channon Hybrid Route & MCPO Route

ATXI Sulphur Springs Road & MCPO

69.2 *

Staff Option 1 & Channon Hybrid

27.2 (ATXI Primary Segment)**

34.0 (ATXI Alternate Segment)***

61.2

* MCPO Ex 2.3, page 1

** DR 1.01 (a) - ATXI Primary Route segment length from ATXI proposed substation site on Sulphur Springs Road to the point in Moultrie County, East Nelson Township where ATXI's Primary Route meets ATXI's Alternate Route. ATXI provided an estimate of "approximately 32.2 miles" for this segment. This segment would be 5 miles shorter from the Staff Option 1 substation site.

*** DR 1.02 (a) - ATXI Alternate Route approximate segment length from the point in Moultrie County, East Nelson Township where ATXI's Alternate Route meets ATXI's Primary Route to the Kansas substation site.
