Report

Re: Eastern Missouri Cellular Limited Partnership

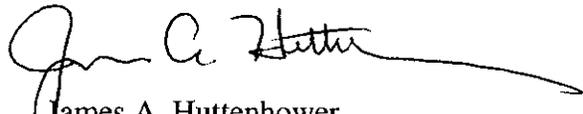

Dear Ms. Rolando:

In its November 6, 2013, Order in Docket No. 13-0430, the Commission granted the petition of Eastern Missouri Cellular Limited Partnership ("Eastern Missouri") to withdraw the Certificate of Commercial Mobile Radio Service Authority it had previously been granted. The Order also directs Eastern Missouri to file its 2013 Annual Report within 60 days of the date of the Order.

Under 220 ILCS 5/5-109, commercial mobile radio service providers are expressly exempted from the requirement of filing annual reports with the Commission. Accordingly, I am writing to advise you that Eastern Missouri will not be submitting a final annual report for 2013.

Please let me know if you have questions. Thank you.

Yours truly,

James A. Huttenhower
