The Ameren Illinois IPA programs identified in a July 12, 2013 report submitted to the Commission entitled "Energy Efficiency Compliance with 220 ILCS 5/16-111.5B" shows that in Table 3 on page 15 a cost of "Specialty Lighting" equal to \$2,794,093. In PY7, this cost is equivalent to an incremental 0.05 cents/kWh in Rider EDR charges to residential customers, or \$ 4.80 per year for a typical customer using 10,000 kWh per year.
