-vs-
Commonwealth Edison Company

RECOMMENDATION: Grant the Joint Motion to Dismiss.

On June 1, 2012, Timothy Burns, Andrew Burns and Matthew Burns filed a complaint with the Illinois Commerce Commission ("Commission") against Commonwealth Edison Company ("Respondent") alleging that Respondent incorrectly billed the business account of Ale House III. On April 18, 2013, I issued a ruling changing the named complainant to that of Emmet's PT, LLC f/k/a Ale House III, LLC.

On November 18, 2013, the parties filed a Stipulation and Joint Motion to Dismiss, requesting that the Commission dismiss the complaint with prejudice.

Accordingly, I recommend that the Commission grant the Joint Motion to Dismiss and dismiss the Complaint with prejudice.
