- a) Only landowners with property upon or across which the right of way for a proposed route runs must be identified to receive notice from the Commission. ATXI broadened the notice corridor to 250 feet include landowners along these rights of way where an construction easement may be required or to allow for flexibility in placing the ultimate right of way.
- b) No, ATXI did not consider landowners beyond 250 feet for the purposes of the landowner list identified in the request.
- c) See response to subpart b).
