4. Description of Applicant's business. [454.40(c)(1)]

We broker energy deals (Natural Gas and Electricity) for our clients (Small, Mid-Sized and Large Corporations) to find them the best pricing available for their usage requirements.

We obtain a electric or gas bill copy and complete a credit request form for our suppliers to have all the needed information on our clients as well as the copy of their electric or gas bill to start the pricing process. Once we have credit approved and pricing back we make a full presentation to our clients along with approved state agreements from our suppliers to lock in the best pricing for our clients with their approval.

Once a signed agreement is sent in to us we submit it to our suppliers for processing.
