

JZ 1.01 Please provide a list of States, including Illinois, in which the Applicant or any of its affiliates provides or has provided Cellular Mobile Radio Service (CMRS or Wireless Service) to end user customers. For each State and each separate operating entity, please report:

- i. The numbers of CMRS related complaints lodged against the provider in each month for which the provider has been authorized to provide CMRS service;

Millennium 2000 objects to providing data for states other than Illinois on the grounds that the Illinois Commerce Commission does not have jurisdiction over services provided in other states. Additionally, the Illinois Commerce Commission does not have jurisdiction *over the "rates, terms, conditions, quality of service, availability, classification, or any other aspect of service regarding . . . wireless services"*. See 220 ILCS 5/13-804.

**CONFIDENTIAL**

JZ 1.01 Please provide a list of States, including Illinois, in which the Applicant or any of its affiliates provides or has provided Cellular Mobile Radio Service (CMRS or Wireless Service) to end user customers. For each State and each separate operating entity, please report:

- j. A list of all CMRS related enforcement actions against the provider brought by any Federal, State or Local government agency in each month for which the provider has been authorized to provide CMRS service;

Millennium 2000 objects to providing data for states other than Illinois on the grounds that the Illinois Commerce Commission does not have jurisdiction over services provided in other states. Additionally, the Illinois Commerce Commission does not have jurisdiction *over the “rates, terms, conditions, quality of service, availability, classification, or any other aspect of service regarding . . . wireless services”*.
