Understanding the Lifeline Program

Lifeline is a federal program that helps qualified individuals pay for wireless or home telephone service. The federal rules allow you to have a Lifeline discount on one home telephone or one wireless telephone. You may not get Lifeline discounts on two telephones.

Lifeline support lowers the cost of basic, monthly local or wireless telephone service. An eligible customer may receive the Lifeline discount on either a wireline or wireless connection, but the discount is available for only one telephone connection per household. Lifeline does not apply to taxes, surcharges, and mileage charges.

LIFELINE PROGRAM RULES

Lifeline service is a federal benefit provided to eligible consumers. For the purpose of the Lifeline Program, a household is defined as any individual or group of individuals who live together at the same address and share income and expenses. A household is not permitted to receive Lifeline benefits from multiple providers. If you or anyone in your household currently has Lifeline support, you must agree to cancel any existing Lifeline service with your current Lifeline service provider before you enroll for Lifeline support with Millennium 2000. **Note: By law, the Lifeline program is only available for one phone per household.**

Other lifeline rules states that non-usage of a wireless handset for a consecutive 60 days will result in de-enrollment of the Lifeline program.

ELIGIBILITY REQUIREMENTS

Only individual receiving certain government assistance qualifies for the Lifeline program. Eligibility guidelines vary by state.

In general, if you participate in a public assistance program such as Food Stamps, Medicaid, Supplemental Security Income (SSI), Temporary Assistance for Needy Families (TANF), Low Income Home Energy Assistance Program (LIHEAP), National Free School Lunch, Federal Housing/Section 8 Assistance, you can qualify for the program.

If you do not receive any of these public assistance programs, you may still qualify for Lifeline support if your household gross monthly income is at or below 135% of the federal poverty guideline.

PROOF OF ELIGIBILITY

You must provide a copy of any current document that proves your participation in one of the programs selected or proof income eligibility. Acceptable documentation of income eligibility includes the prior year's state, federal, or Tribal tax return, current income statement from an employer or paycheck stub, a Social Security statement of benefits, a Veterans Administration

statement of benefits, a retirement/pension statement of benefits, an Unemployment/Workmen's Compensation statement of benefits, federal or Tribal notice letter of participation in General Assistance, or a divorce decree, child support award, or other official document containing income information. Documentation of income eligibility must cover a full year (*e.g.*, pay stubs) or three consecutive months' worth of the same types of document within the previous twelve months. **All documents must have same name and address as provided in this application. Under title 18 U.S.C. § 1621, whoever willfully states as true any material matter which he does not believe to be true in a statement under penalty of perjury, is guilty of perjury and shall, except as otherwise expressly provided by law, be fined or imprisoned not more than five years, or both.**

ANNUAL CERTIFICATION AND VERIFICATION

Once you are enrolled in the Lifeline Program, after the initial year, you must verify annually that you are qualified for continued enrollment in the Lifeline Program. Furthermore, you must certify that no other person in your household is receiving Lifeline services. If you fail to re-certify your eligibility, you will be de-enrolled from the Lifeline program. This means you will no longer receive the free monthly minutes or discounted home phone or wireless services. If you should become ineligible for Lifeline enrollment, you must immediately notify Millennium 2000 that you no longer meet the eligibility requirements for enrollment by calling us at 1-866-961-1907.
