

JZ 6.09 Ms. Harrison states, at 32 of her Response Testimony “Since that time, Millennium 2000 has utilized its agreement with Reunion Wireless to obtain Verizon as well as Sprint services.”

A. In response to Staff Data Request JZ 1.04(b), Millennium provided Staff a copy of its agreement with Reunion Wireless. Is that agreement still effective? Has it been amended? Please provide a complete and correct version of Millennium’s agreement with Reunion Wireless.

Response: Millennium 2000 objects to the data request because the request is unduly burdensome and redundant to previous data requests.

Notwithstanding its objection, Millennium 2000’s agreement with Reunion is still effective. An addendum has been added to the existing agreement. See data response JZ 1.04(b) and Exhibit JZ 6.09(A), attached hereto.
