

Affidavit for Brian C Brown (Eco Sun, INC)

Brian C Brown (630)-606-3512 Carol Stream IL 1kwatt first system installed. Battery Back up System. Lead Tec Aug 2007

Ed Cho (630) 699-0342 4.4k Photovoltaic Grid Tie and Battery backup system. Completed Nov 2009. Outback 3600 48volt inverter with Keyocera 210watt panels. Round Lake Park, IL Lead Tec

Roberta Kleinman (773)-779-3120 First Photovoltaic system 1.3kwatt system. Completed June 2011. Use REC 230watt panel and Enphase M195 micro inverters. Chicago, IL Lead Tech For CM Electric

Roberta Kleinman (773)-779-3120 Second Photovoltaic system 3.7 completed April 2012. Using Enphase micro inverters M190 and M215 with Grape Solar 250watt and 190 watt panels. Chicago, IL Lead Tech for CM Electric

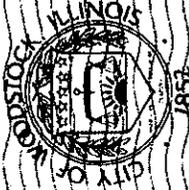

Jan Smith (630)-745-1037 First Photovoltaic system 1kwatt system. Completed Aug 2012. Enphase M215 with Grape Solar 250watt panels. Carol Stream, IL

Jan Smith (630)-745-1037 Second Photovoltaic System 2kwatt system. Completed Nov 2012. Enphase M215 with Grape solar panels. Carol Stream, IL

Antony Bharani (630)-229-5401 Photovoltaic 5kwatt system. Completed June 2013. Enphase micro inverter M215 with Helios 250watt panels. Elmhurst, IL

Jerry Steele (972)-352-7520 Photovoltaic 10.3Kwatt system. Completed Aug 2013. Power one 300 micro inverters with Sharp 300watt panels. Ocomowoc, WI

Norman Matzinger (920)-699-3108 Photovoltaic 2kwatt system. Completed Dec 2013. Enphase M215 micro inverters with Solar World 250watt panels. Johnson Creek, WI

CERTIFICATE OF REGISTRATION
CITY OF WOODSTOCK, ILLINOIS
Department of Community & Economic Development

ELECTRICAL CONTRACTORS LICENSE

The person, firm or corporation whose name appears below on this certificate has passed the required examination and has complied with the provisions, rules, and regulations of the City of Woodstock City Code and is a duly registered electrician of the City of Woodstock.

LICENSE NO. 260-13
Date of Expiration: December 31, 2013

Certificate of Completion

Midwest Renewable Energy Association
Educational Institute

Presented to
Brian Brown

This certifies successful completion of the one-day workshop on
Basic Photovoltaics sponsored by the
Midwest Renewable Energy Association, October 12, 2007.

Chris Hulet

Workshop Instructor
Engineering Services Co.

Clay Sterling

Education Director
Midwest Renewable Energy Association

Certificate of Completion

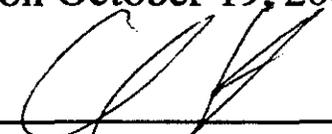

Midwest Renewable Energy Association
Educational Institute

Presented to
Brian Brown

This certifies successful completion of a one-day workshop on
Photovoltaic Site Assessor Training sponsored by the
Midwest Renewable Energy Association on October 19, 2007.

Kurt Nelson
SOLutions
Workshop Instructor

Clay Sterling
Education Director
Midwest Renewable Energy Assoc.

Certificate of Completion

**Midwest Renewable Energy Association
Educational Institute**

Presented to
Brian Brown

This certifies successful completion of the two-day workshop on
Intermediate Photovoltaics sponsored by the
Midwest Renewable Energy Association, February 15-16, 2008.

Jim Funk
Instructor
Energize, LLC

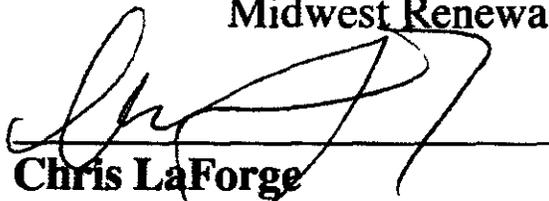

Susan Barrett
Workshop Coordinator
Midwest Renewable Energy Association

Certificate of Completion
Midwest Renewable Energy Association
Educational Institute

Presented to
Brian Brown

This certifies successful completion of the one-day workshop on
Photovoltaic System Design sponsored by the
Midwest Renewable Energy Association, May 15, 2008.

Chris LaForge
Workshop Instructor
Great Northern Solar

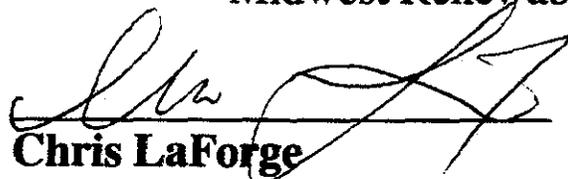

Chad Wolf
Workshop Coordinator
Midwest Renewable Energy Assoc.

Certificate of Completion
Midwest Renewable Energy Association
Educational Institute

Presented to
Brian Brown

This certifies successful completion of the one-day workshop on
PV: Primer for officials and Installers sponsored by the
Midwest Renewable Energy Association, May 16, 2008.

Chris LaForge
Workshop Instructor
Great Northern Solar

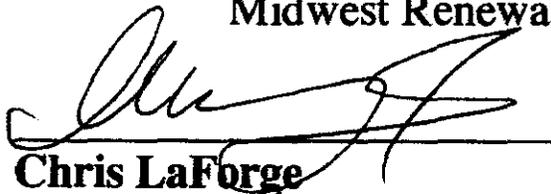

Chad Wolf
Workshop Coordinator
Midwest Renewable Energy Assoc.

Certificate of Completion
Midwest Renewable Energy Association
Educational Institute

Presented to
Brian Brown

This certifies successful completion of the one-day workshop on
Advancements in Photovoltaics sponsored by the
Midwest Renewable Energy Association, May 17, 2008.

Chris LaForge
Workshop Instructor
Great Northern Solar

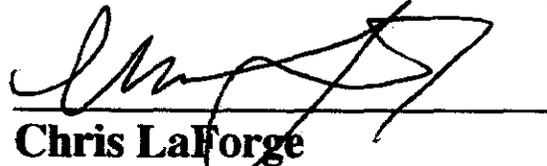

Chad Wolf
Workshop Coordinator
Midwest Renewable Energy Assoc.

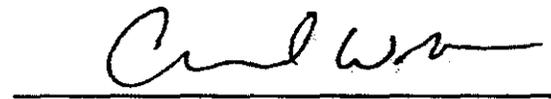

Certificate of Completion
Midwest Renewable Energy Association
Educational Institute

Presented to
Brian Brown

This certifies successful completion of the six-day workshop on
Advanced Photovoltaics I sponsored by the
Midwest Renewable Energy Association, September 29-October 4, 2008.

Chris LaForge
Workshop Instructor
Great Northern Solar

Chad Wolf
Workshop Coordinator
Midwest Renewable Energy Association

CERTIFICATE OF COMPLETION

U.S. GREEN BUILDING COUNCIL • 1800 MASSACHUSETTS AVENUE NW, SUITE 300 • WASHINGTON, DC 20036

Brian Brown

Eco Sun, inc

The above named participant has successfully completed the course denoted below.

This course is registered with:

AIA/CES for three and a half (3.5) hours of Health, Safety, and Welfare (HSW) Learning Units (LUs)

BOMI for three and a half (3.5) Continuing Professional Development (CPD) Credits

CSI for .35 Continuing Education Credits (CEUs)

This certificate may be used for self reporting to other professional organizations.

**GREEN BUILDING BASICS
AND LEED® WORKSHOP
ON FEBRUARY 23, 2009
GRAYSLAKE, IL**
